

Area deluged with major accidents

About \$8,000 damage was done in a multi-vehicle accident on the St. Albert Trail near St. Joseph's Seminary early last Sunday morning (June 19).

A release from the St. Albert detachment of the RCMP says 20 year old Greg George Pudlowski, 8 Murial Crescent, St. Albert, was operating a motorcycle south down the Trail, overtook a car, and was then in collision with the rear of another southbound vehicle. That vehicle was operated by 26 year old Alan Arthur Wesley, of 11740 - 129 Street, Edmonton.

As a result of the collision, Pudlowski was then thrown from his motorcycle and landed along the Trail median.

A short while later, Rita

Yvonne Craig, 24, of 17 Mount Royal Drive, arrived at the scene of the accident where she parked her vehicle on the median. She activated the flashers of her vehicle to indicate assistance to the injured Pudlowski. Pudlowski was later hospitalized with head injuries and lacerations.

Also stopping to give help at the accident were Bradley Snowdon of 11715 - 135A Street, Edmonton and Gerry Schelberg of 11826 - 41 Street, Edmonton. Several other motorists and their passengers also stopped to offer help at the scene of the accident.

A short time after, a car driven by Judy Ann Bushman, 23, of 23 Balmoral Drive, St. Albert, was pro-

ceeding north on the Trail and was in collision with the rear of Rita Craig's car. This caused that car to be pushed forward, moving it over Pudlowski after striking Schelberg and Snowdon. Schelberg received a broken leg and Snowdon received minor injuries and bruises. Bushman was hospitalized with lacerations and bruises.

The matter is still under investigation by the St. Albert RCMP Highway Patrol.

SEVERAL OTHER ACCIDENTS

There were several other accidents in the locality in the last week.

Last Monday, June 20, Please Turn to Page 2

THE ST. ALBERT FIRE DEPARTMENT were called to the scene of this accident on the morning of June 17. The Gray beverage truck was northbound on the St. Albert Trail, but as a result of a heavy load was unable to break and avoid being in collision with a car stopped at the traffic lights on Sturgeon Road. Douglas Kirk Hosack, 21, of Edmonton, received minor injuries after he took evasive action attempting to make a right turn on the Sturgeon Road, but the truck had then tipped over on its side. The Fire Department had responded because gas was leaking from the overturned truck.

Pay hikes moved for incoming council

Whoever comes back to St. Albert council as mayor and aldermen after the October elections could find themselves with a pay raise effective November 1, 1977.

That's the way it looks after St. Albert council discussed the matter of increased salaries for elected

officials at the regular meeting of city council last Monday night.

St. Albert's mayor after November 1 this year will find himself with a full time job and with a pay hike from \$16,500 to \$24,000.

Alderman Frank Lukay voted for even more gener-

osity in the mayor's salary. But his motion to pay the next mayor \$26,800 was lost.

Ald. Lukay said in terms of the responsibilities of the job, this was not an amount that was excessive.

Alderman Gary Wetsch was the prime mover on the decision to give the future mayor of St. Albert the pay hike. He said he thought council had made the right decision and said (the new amount) would be a fair salary for a job which demanded a great deal.

He also said that his motion implied the mayor's Please Turn to Page 2

The Gazette

Vol. 18 No. 25 -- Wednesday, June 22, 1977.

AUMA president urges municipalities to use political clout

"We are entitled to use our political clout as municipalities ... I do not think any government can stand the united strength of the municipalities."

Those were the words of Edmonton Alderman Ed Leger, president of the Alberta Urban Municipalities Association as he talked to St. Albert council last Monday night on revenue sharing

between themselves and the provincial government.

But Ald. Leger also told

council that the tone of Premier Peter Lougheed had Please Turn to Page 2

Parents will meet with summer teachers

Parents with children registered in the Summer Improvement Program are invited to attend a parent-teacher meeting at Vital Grandin School on Monday, June 27 at 7:30 p.m.

At the meeting, the various programs to be offered at the summer school will be discussed, and parents will have the opportunity to meet their children's teachers.

The Summer Improvement Program will run from July 4-22, from 9 - 11 a.m. each day. Approximately 140 students have enrolled in the program, and will be taught by 10 teachers. Those teachers are Carolyn Gardiner, Patricia Donaldson, Joan Budd, Gary Miller, Beryl Johnstone, Tom Scott, John Osgood, Gary Phillips, Earl Ayre, and J. J. Tymo.

Church land policy discussed

No provision for new churches will be made in public reserve lands it was decided at St. Albert council last Monday night.

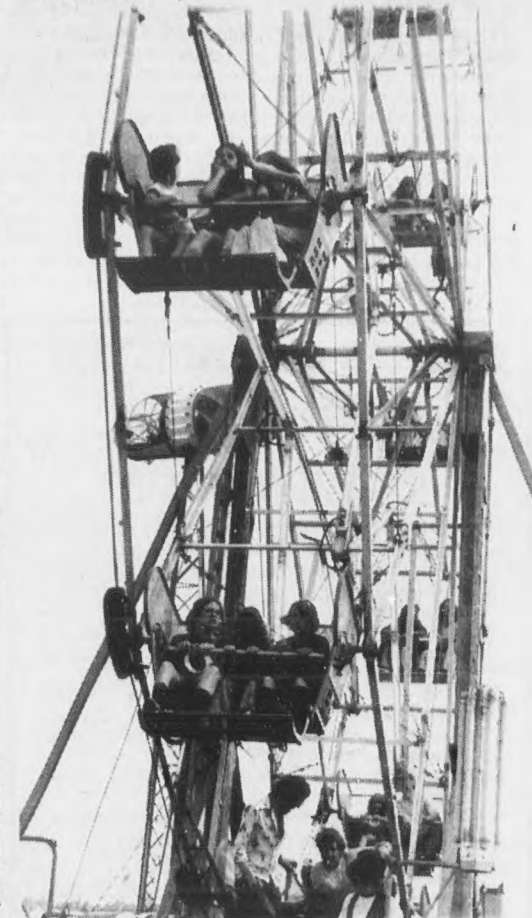

But following receipt of a letter, stating that Mr. R. H. Scheibelhofer of Willowbrook homes had been asked by Father Jake Joly of St. Albert parish to locate a site for a new church in Braeside or Akinsdale, council passed a motion which cut the edge off the policy decision on the "church allowance."

Council recommended that the St. Albert Ministerial Association be asked to provide an inventory of its future needs, leaving the door open for future negotiations on church planning and building.

But it was pointed out at Please Turn to Page 2

WI seeks dump station for trailers

The latest project of the St. Albert Women's Institute is getting a dumping station for trailers in St. Albert. They have approached city hall and Lorraine Moore reports that the city council would be willing to back the project if it could be demonstrated that there is a real need for such a station here. Please Turn to Page 2

THE FERRIS WHEEL - synonymous with midways the world over, took the fancy of many people who attended the rodeo celebrations at the Kinsmen Rodeo grounds last weekend.

Come to Morinville's Frontier Daze this weekend!

The St. Albert RCMP request help in identifying the following person who is suspected of exposing himself to young girls in St. Albert during the past few months. He is described as being 6 ft., slim, 18 - 25 years, light brown hair, blue eyes and a tanned face. Anyone knowing this person please contact Cst. Harris of the St. Albert RCMP.

accidents

Cont'd From Page 1
\$1,600 damage was sustained by three vehicles as a result of an accident at Grenfell Avenue, near Gainsborough Avenue.

Richard Leblanc, 33, of 62 Gladstone Crescent, St. Albert, was operating a truck belonging to All Steel Erectors Limited, southbound on Grenfell. Leblanc swerved to miss a bicycle and was then in collision with a parked vehicle belonging to John H. Howard of 325 - 5 Avenue North, Saskatoon, Sask. This vehicle was apparently pushed forward into a parked vehicle owned by Christopher Hatfield of 1235 Radom Street, Pickering, Ont.

There were no injuries as a result of the accident.

In another accident, \$625 damage was sustained in a three vehicle collision on St. Anne Street in front of Reggie's Hardware.

The accident took place in the early evening of June 13. A vehicle owned by Ronald McCollum, RRI, St. Albert was parked behind a vehicle owned by Greg. W. Taylor, 22 Spruce Crescent, St.

Albert. A small child in the McCollum vehicle seems to have accidentally put the car in gear.

The mother then tried to stop the car by engaging the brakes. But instead of stopping, the car accelerated and was then in collision with the rear of Taylor's vehicle. In turn, Taylor's vehicle was then in collision with a parked vehicle owned by Lloyd Strain, 52 Fair Oaks Drive, St. Albert.

CUTS AND BRUISES

Mark Arthur Schultz, 16, general delivery, Riviere Qui Barre, received cuts and bruises after a motor vehicle accident 8 p.m. June 18 on Secondary Highway 794, one mile north of Villeneuve.

Schultz was operating a motorcycle and was in collision with a truck driven by Robert James Lotski, 11014 - 84 Avenue, Edmonton. Schultz was trying to pass the vehicle driven by Lotski. He was then slightly in collision with Lotski's vehicle before control was lost of the motorbike, which skidded and slid under the wheels of the truck.

A passenger, Lauren Crooks, of St. Albert was uninjured in the collision.

IN PROVINCIAL COURT ST. ALBERT

Eighteen year old Ian Leverton, 36 Larkspur Crescent, appeared in provincial court St. Albert June 15 charged with 12 counts of break, enter and theft relating to alleged break-ins in the Lacombe Park area of St. Albert. The suspect has been remanded in custody till June 23 for a pre-sentence report.

In another break-in and entry charge, Duncan Scott Schroder, 16, of 69 Geneva Crescent appeared in court with 17 charges of break and enter, break-enter and theft, and attempted break and enter.

These charges arose as a result of a number of break-ins of local residences over a period of five to six months.

The suspect's cases have been remanded till August 4 for a pre-sentence report.

pay hikes

Cont'd From Page 1
job would be on a full time basis.

Alderman Rod Thronsdon said that if the job was to get done, "we have to have a full time mayor."

And aldermen coming on council after November 1 will also have a bigger share of the cake.

Their new salary will be set at \$4,800; \$600 more than the present \$4,200.

Originally the figure was to have been \$4,500 for the new aldermanic salary.

But Alderman Frank Lukay moved an amendment to a higher figure to encourage people to give up their time for municipal government in St. Albert.

clout

Cont'd From Page 1
recently become more conciliatory on the matter of revenue sharing.

Ald. Leger said a formula for cost sharing with the consent of the municipalities was wanted.

He wanted to persuade the provincial MLAs that this is what the municipalities wanted and by the time the next election rolled round, the municipalities would have a

THE MORNING AFTER THE NIGHT BEFORE? While the bus looks like it was at an STP party the night before, this little mishap is quite innocent. The operator of this bus was calmly backing up behind the St. Albert Sportshop, when its left rear wheel suddenly sank out of sight in what appears to be an old excavation or cistern. Shortly after this photo was taken, the bus was pulled free and back on the road.

strong position.

Ald. Leger hinted that the government would get changed somewhere down the road (with the pressure from the municipalities).

He criticized time-wasting in the senior levels of government and said he had seen as much competence in municipal-politicians as anywhere in the provincial government.

He pointed out that much time was also wasted at the municipal level in preparing grant applications using thousands of man hours.

Government bureaucrats were reducing the effect of municipal government but not intentionally, said Ald. Leger.

A motion reaffirming St. Albert's position on the revenue sharing issue was carried by council.

church

Cont'd From Page 1
the meeting that if all the individual churches began asking for an acre of parkland, there would be high consumption of the city's open space.

While the majority of aldermen supported the move to keep church use of city open space down, Alderman Frank Lukay was not so sure.

He said he thought it should be recognized that the church had a lot of responsibility, and that the church

should be supported in some fashion by the city for the services given.

WI seeks

Cont'd From Page 1

So now the W.I. members are seeking the support of local trailer owners and interested campers. Anyone interested in offering such support should contact Lorraine at 459-8143.

The W.I. have also app-

roached the Hon. Bob Dowling, minister of Business Development and Tourism, and the Hon. Allen Adair, minister of Recreation, Parks and Wildlife, with the suggestion that trailer dumping stations should be mandatory in all privately-owned and provincial trailer camp areas. "Private owners are making good money from trailer people," said Mrs. Moore, "and I feel they should provide this service."

Canada Day, July 1

THANK YOU

ST. ALBERT FIRE FIGHTER LOCAL 2130 WOULD LIKE TO THANK ST. ALBERT SEPARATE SCHOOL DISTRICT #6 FOR THE USE OF THEIR SCHOOL ON PARADE DAY FOR SENIOR CITIZENS.

LOCAL 2130.

Rodeo parade 116 said best ever

This year's parade highlighting Kinsmen Rodeo 116 has been described as the best St. Albert has ever seen.

There were 84 entries in the parade which took about an hour and a half to pass a given point.

Parade winners were Morinville Frontier Daze with the best float, the Denim Den, with the most original float, Father Jan school with the best all round entry and Paul Kane with the best school float.

Judges of floats and entries were Alderman Rod Thronson, Ray and Eileen Gibbon and K-ette Alga Myrthue.

Winners of the best horsegrouper five and over were the Edmonton Klondike Posse, the best group one to five, the Homestead Stables.

Best senior band award went to the Edmonton Strutters, best junior band award went to the Edmonton All Girls Marching Ambassadors.

In the kiddies bike entries, top awards went to the "Hawaiians" and the "old fashioned boys."

What else can be said about what must have been the best parade ever seen in St. Albert?

Memorable entries were the big London Transport diesel engined, red double decker bus which didn't look

that far from Piccadilly Circus.

And the bands were just superb, particularly the Edmonton police band, and the band from CFB Cold Lake.

The "marching column" from the St. Albert Cadets Squadron 533 was also most impressive and the entry from the Kinsmen with their Kangaroo Court.

Other memorable entries were from the Grandin Beavers, the Saints and Sinners Square Dance Club and the Edmonton Boys pipe band. Another memorable band entry were the Dickinson Marching Crusaders.

And it was not easy to forget the entry from the Gazette with its mobile farm yard, mickey mouse characters, and rodeo headlines.

Even Chris's Grocery went bananas with its parade entry!

There were plenty of horse groups in the parade, notably the Klondike Mounted Square Dancers and the Northern Alberta Pinto Club.

Near the end of the parade the entry from the East Side Teens spilled over into the crowds lining the streets and it seemed the parade would end up in a giant square dance.

Dignitaries in the parade were MPs Peter Elzinga, Marcel Lambert, MLA Ernie Jamison, who delegated a

hand to do the waving, Mayor Art Morin of Legal. (Mayor Art Stapleton of Morinville was not in evidence).

Also among the dignitaries was Mayor Dick Plain of St. Albert and Mayor Cavanaugh of Edmonton. Mayor Cavanaugh took a trip into history riding in a Klondike coach.

Parade marshal Ben Lemieux wants to thank all who took part in the parade and thanked the St. Albert RCMP and the city for their help in making the parade go smoothly.

Thanks also went to the St. Albert Lions for the breakfast they put on in the Lions Park.

Mr. Lemieux said that some award winners in the parade had not yet picked up their trophies. They are to phone 458-3908 if they wish to pick them up.

Special meeting of council tonight

There will be a special meeting of St. Albert council tonight on the final draft of the General Plan. The meeting will be held in the city hall annex 7:30 p.m.

THE EDMONTON POLICE band really had a great impact at the parade through the streets of St. Albert last weekend. It was the first of many entries in a parade which took about an hour and a half to pass a given point.

MLA "glad" to meet with council on government business

MLA Ernie Jamison said today that he would gladly meet with council anytime if it were for the purpose of government business. I will not be intimidated by the mayor or his unfounded press stories. Last week when I received an invitation to attend council it was accompanied by a two page letter about the Gazette. Not wishing to take up valuable time of my own and that of council to discuss the Gazette

in a "Kangaroo Court" I declined the invitation. In my short letter to council I specifically requested the mayor to outline departments of Government that he felt may require MLA attention and to jot down precisely the problems the mayor and council are encountering.

For St. Albert residents who wish to read the mayor's opinions on how to run a newspaper and also the

seven page so-called "Letter to the Editor", they are displayed on the Gazette's bulletin board.

Lake opens in unkind weather

THE KIDS just couldn't wait to get fishing at the Lacombe Park lake which was officially opened by Mayor Dick Plain of St. Albert last week.

There was a good crowd on hand last Thursday night at the official opening of the Lacombe Park Lake.

The weather was not so kind and so crowds of people had to huddle in the red tent at their disposal and listen to the music of the jazz band which brightened the scene.

Mayor Dick Plain officially opened the park and also on hand at the opening were BACM officials Mike Rogers and BACM president Victor Lewis.

A fountain was turned on by Mayor Plain and there were scads of youngsters trying to catch some of the trout which have been placed in the lake.

The opening of the park had been delayed because of the drought conditions prevalent in the spring; this had prevented grass at the park germinating.

The lake and ravine park will eventually extend from the senior high school campus proposed for the area at the north, to the Sturgeon River Park at the south end.

The park is said to be unique in Alberta, being accessible to all residents of Lacombe Park.

The four acre lake and the 38 acre ravine park utilized a former dried up creek and

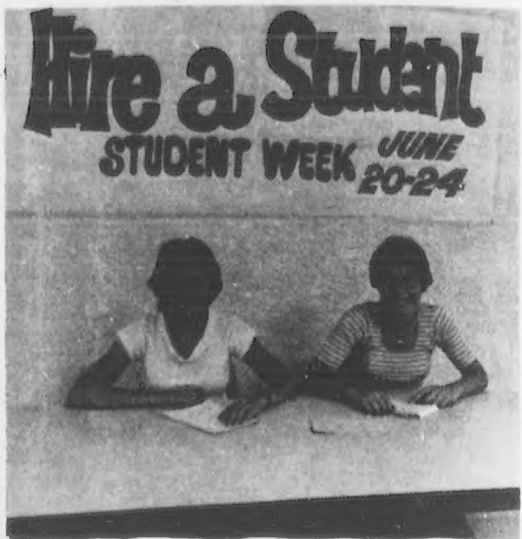

abandoned railway right of way which now provide for fishing, skating, cycling, and picnicking.

It is quite clear that many St. Albert residents are using the facility's walkway system for jogging.

The four acre lake contains about 1.3 million cubic feet of water; it is nine feet deep and is filled from a well located some 800 feet south of McKenney Avenue.

Stripping of the park area began in the fall of 1974 and the excavating was completed in 1975.

Most of the trees used to landscape the park have been supplied by the BACM tree farm.

Hire-a-student week endorsed

Premier Peter Lougheed has endorsed Hire-a-Student Week in Alberta from June 20 to 24.

As honorary chairman of Hire-a-Student Week, the Premier urged all employers throughout the Province to participate in this important effort.

"Student involvement in the work force is beneficial to both employer and the student. Our young people benefit from the responsibilities and practicality of summer employment; the employer benefits by the influx of workers at a time of

vacations and peak periods."

The future of our Province is represented by these young people. Let's get involved and help them realize their future potential and the challenges that they will meet in the years ahead.

The Premier commended the many agencies and organizations participating in the Student Summer Employment Program and the support employers have given the program in the past.

For more information on the Hire-a-Student program in St. Albert, contact Caryn Duncan at the City of St.

Albert Community Services Office, 20 Muir Drive, St. Albert, Alberta, T8N 1G3, Phone 459-6601, Extension 80.

COURT HOUSE DELAYED

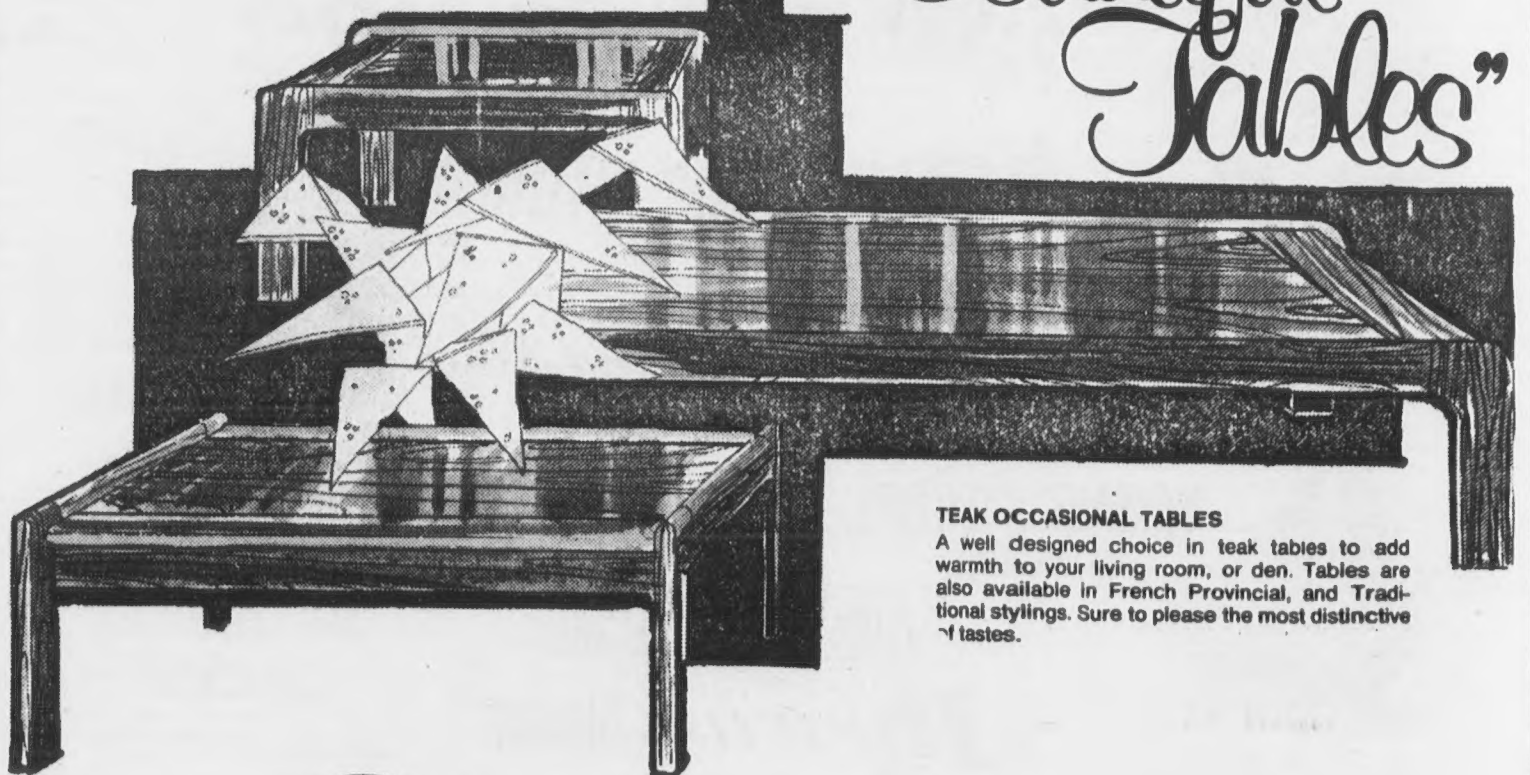

MLA Ernie Jamison reported that construction of the new Provincial Court House in St. Albert has been delayed a year, due to budget implications. However, the architectural design should be completed in this fiscal year. Court at present is being held in the St. Albert Community Hall.

Robert Waddell of Edmonton is heartily congratulated by Kinsmen Rodeo Raffle Chairman Neil Stewart following the presentation of the Baja boat which was drawn for on the grounds last Sunday. Mr. Waddell had purchased only one ticket, and was very impressed with his win. Bill Whitten, manager of Tercier MarineLand, which supplied the boat, looks on.

Press ethics could be AUMA talking point

A number of resolutions coming from St. Albert council on press ethics could turn up on the agenda of the Alberta Urban Municipalities Association when it meets later this year.

Two resolutions came from Mayor Dick Plain, but one will be deferred till a special meeting of council tonight.

The first resolution from Mayor Plain wants the Alberta Government to extend the powers of the ombudsman to investigate the manner and way papers carry out their functions in the province.

The extension of the powers of the ombudsman would give individuals recourse to the ombudsman if they felt they had any cause for complaint regarding a newspaper.

The resolution also made it clear that all newspapers in the province should be members of the press council.

The resolution was carried by council, almost unanimously, with Alderman Rod Thronson opposed.

The other "press" resolution, which was deferred, wants the provincial government to enact legislation which would prohibit a member of the provincial or municipal government from being actively engaged in news reporting or editing.

Mayor Plain, introducing the resolution said that newspapers must be free of political contacts.

Alderman Rod Thronson, commenting on the resolution, asked how far the provincial government could go into an area on what elected people were allowed to do. He pointed out elected people could take stands on issues ... "I'm not saying they are right, there must be better ways of resolving this."

Regarding a working relationship with MLA Ernie Jamison, Mayor Plain referred to a recent letter from the MLA with negative reaction to meeting with council, which Mayor Plain felt put the matter further in abeyance.

Referring to another letter to the Gazette clarifying annexation problems, written by Mayor Plain, Alderwoman Margaret Smith suggested that if the Gazette would not publish it, maybe other channels would.

"I think it was a good letter," said Alderman Barry Breadner.

Earlier, when council was dealing with another resolution for the AUMA, Ald. Breadner's attempt to get a resolution to that Association was roundly defeated.

Ald. Breadner wanted to see a better deal for homeowners who later find their properties affected by road developments which had previously not been planned.

He wanted monetary compensation for those who found themselves suffering noise pollution as a result of

road widening from collector to arterial class roads.

Alderman Gary Wetsch opposed the resolution on the grounds that he couldn't agree on applying to the provincial government for the legislation.

He suggested that if the council were bound into the compensations (by provincial legislation), "then we will have no control over it."

Did you know that 5000 Canadians are stricken with breast cancer each year? There is a 75 per cent chance of being cured if the cancer is discovered in time. Self-examination of the breast, once a month, will reveal any irregularity and allow you to consult your physician immediately.

THE CITY OF St. Albert PROCLAMATION

WHEREAS the students of St. Albert are desirous of obtaining employment during the summer months; and

WHEREAS employment will enable local students to earn enough money to help finance their education and at the same time give them work experience; and

WHEREAS even casual periods of employment in the summer months are beneficial to the students; and

WHEREAS St. Albert students are among the City's greatest resources.

THEREFORE, I, Dr. Richard H. M. Plain, by the powers vested in the Office of Mayor, do hereby declare the week of June 20 through 26 as "HIRE-A-STUDENT WEEK" in the City of St. Albert and urge the citizens of St. Albert to avail themselves of the talents and skills possessed by our young men and women.

Richard H. M. Plain, Ph.D. [Econ.]
Mayor.

Visitors enjoy St. Albert

Visiting St. Albert on a six week vacation are Mr. and Mrs. J. J. Hargreaves of Windmill Farm, Brindle, Near Chorley, Lancashire England. This is the fourth visit to Canada by Mr. and Mrs. Hargreaves who have two sons and a daughter and their families living here. Two of the children's families live in St. Albert and the third lives in Sherwood Park. Between the three families are 10 grandchildren. The Hargreaves have one son remaining in England. He is married and he and his wife expect their first child any time now.

Mr. and Mrs. Hargreaves' hometown, Brindle, is a pretty little village set in mid-Lancashire and it is steeped in local history. They have farmed there as tenant farmers for 35 years under the famous De-Hoghton family of Hoghton Towers who are noted for the knighting of the loin of beef to become known as "Sir Loin." Part of the farm is Brindle Moss where, at the time of the Reformation, Cromwell's soldiers in persecuting the Catholics captured a Jesuit priest, Fr. Arrowsmith, who was later hanged in Lancaster Castle. Fr. Arrowsmith was canonized some two years ago and is now St. Edmund.

Mr. and Mrs. Hargreaves are now semi-retired and they have just returned to St. Albert from a week in Victoria, B.C. where they were the guests of Mr. and Mrs. Bernard Denley, formerly of Edmonton. They thought Vancouver Island the ideal place to retire.

They have noted some significant changes in the Edmonton area since their last visit, seven years ago. In particular, the growth of St. Albert and Sherwood Park which perturbed them because of the intrusion of urban areas into prime agricultural land. Nevertheless they felt that this growth is inevitable.

One of the things which impresses them most is the amount of leisure time most Canadians seem to have and how they spend it. They said that this lifestyle is developing in Britain but is held in check by the inflationary economy.

The visitors return to

England on July 6 and they extend a hearty invitation to the many friends they have made in Canada to visit them should any make a trip to the old country.

The Gazette REFLECTS REFLECTS The Gazette

AFFORDABLE CHURCHES - PROBLEM OR NECESSITY?

The problem of churches in getting land for church buildings surfaced again Monday night when city council decided they could not make provision for new churches in public reserve lands. Council felt there would be a high consumption of the city's open space.

A recent story in the Journal pointed out that churches were being priced out of new residential areas in Edmonton.

The St. Albert Ministerial Association has had some discussion on the problem as well and at their June meeting it was decided that Pastor Irwin Kujat would prepare a brief on the subject of land for churches and church expansion for presentation to city council in the fall.

Also at that meeting it was reported that one of the St. Albert churches, looking at land set aside in the area beside the skating rink near the Kinsmen Clubhouse, was given a price of \$70,000 for half of an acre, by the developer. The churches have no intention of free loading, but the ministers felt prices were getting exorbitant.

Churches need land for parking as well and may be looking for two to three acres. Space for children and teen programs is also greatly desirable, from the point of view of ministers. "We feel a responsibility to the community beyond that of just our own church," said Rev. Kujat.

In considering this problem in St. Albert the future situation needs to be assessed as well so that new residential areas will not be without churches.

In some cities building churches near shopping centres has worked well, through the church being able to use the shoppers parking on Sundays. Churches also find it desirable to be near open green area or river banks.

The costs of not providing sites at prices which churches can afford might in the long term outweigh the costs of providing them. An education page article prepared for this issue of the Gazette reports on a survey in St. Louis which found that religion played a part in keeping teens from using drugs and alcohol. Not many people, even those without church affiliation would wish to live in a neighbourhood without a church, and a look at any community will soon show that the people supporting churches are also active community workers in other areas.

The report by the Ministerial Association later this year will provide a starting point from which the search for a solution for affordable church lands can be started.

If a solution is not found, the implications for the future well being of our community could be extremely serious. There is also some urgency in resolving the problem, with four churches presently using schools in St. Albert and one in Newman College, and two churches presently sharing the United Church, and Elgin Chapel presently in need of expanded facilities, and the Roman Catholic Church looking for a second parish site.

CITY WORKERS Mike Mitchell [left] and Tom Molnar threw off the burden of the afternoon heat this week and slapped some cool yellow marking paint down the centre strip of Perron Street and the St. Anne Street intersection.

OTTAWA and Small Business

Acupuncture and Apricot Pits

by JIM SMITH

A few years ago, a noted American doctor-cum-writer named Lewis Thomas was asked to comment on the state of his country's medical care. "These are bad times for reason, all around," Mr. Thomas replied wearily. "Suddenly, all the major ills are being coped with by acupuncture. If not acupuncture, it is apricot pits." Apricot pits are the basis for laetril, a cancer "cure" held in low esteem by medical authorities.

Which brings us to the illness that has befallen the Canadian Confederation. Like the man said, these are bad times for reason. The federal government, facing sickness within the body politic, has taken to treating this unhappy situation with the political equivalents of acupuncture and apricot pits.

Witness the current ballyhoo surrounding "Canada Day" and "Canada Week" (our old friend, Dominion Day, all gussied up for a new generation). Throughout Canada Week, but particularly on Canada Day, July 1, there will be federally-encouraged celebrations throughout the nation. Famous Canadians will be whisked back to their hometowns at government expense to lead local festivities. There will be parades, concerts, dog races, and canoe trips. Then, on the evening of July 1, the CBC will spend more than \$1 million to show us Canadian entertainers doing Canadian things in Canadian regions.

The government hopes business will get involved in this distinctly spontaneous celebration. If the government has its way, Canadians will be wearing "Can-

da, I Want to Shake Your Hand" T-shirts while eating Canadian birthday cake while listening to the sappy Canadian Day theme song which is expected to dominate our national airwaves.

The Canadian Federation of Independent Business was on hand when the government announced the program. The organization is still marvelling at the shallow thinking behind the proposals. Though the Federation and the government are in agreement on the importance of Confederation and the need to develop strong emotional ties that will bind the country together, there is considerable disagreement over methods.

The Federation believes that the federal government's national party ignores the root causes of Quebec's independence movement. Quebec's unrest stems from economic problems; the province wants to control its own destiny and to provide better job opportunities for its francophone majority.

The problems facing Quebec, however, are the same problems facing other Canadian regions; only the language of Quebec obscures the similarities. Every region of this nation needs greater self-sufficiency and more local enterprise. The government can't simply gloss over this issue with candies, balloons, and flag waving.

Canadian nationalism will arise naturally as Canadians come to grips with the basic economic threat to our survival. Nationalism isn't something that can be sold, like pork and beans, with showmanship and fluffy commercials. Strong leadership does not come out of ad agencies.

Help asked

Mothers please check your closets for a navy windbreaker with a Grandin Esso hockey crest and a number 10 arm crest. The jacket was left at the Grandin Clubhouse on May 13 at 5:45 when the mite soccer travelling team gathered for a make-up game. Due to car problems we did not return

for 1½ hours at which time it was gone. An ad in the lost and found column brought no results.

Please return it to #20 Glenhaven Crescent or phone 459-8013 and we will pick it up.

VIOKO,
Grandin Park.

Thank you grade 8's

On behalf of all the students and teachers whose schools took part in the recent Elementary Track and Field Meet, I would like to thank the grade eight class at Bertha Kennedy for their help in running the meet.

Acting as group leaders, recorders and helpers at the different events, these students displayed a lot of responsibility and made the track meet a great success. Our appreciation goes to: Nicole Belley, Robbie Bremault, Annette Couture,

Warren Coughlin, Mona Welch, Cam Sebastian, Charlotte Potter, Shannon Evans, Ashley Guskoski, Debbie Bukowiecki, Judy Squires, Garret Doll, Greg Collins, Larry Marsh, Tony Haas, Leslie Allenby, Martine Cruse, Marilyn Van Wyk, Andrew Tersmette, Ron Maunder, Chuck Arlinghaus, John Simoni, Donald White, Andre Konarzewski.

DAN BOUWMEESTER,
Track and Field Meet
Co-ordinator.,

Taxpayer group sees threat in new act

In the opinion of the Mountain View Ratepayers Association, the proposed new planning act, Bill 15, "will effectively remove many of the last vestiges of freedom that we now enjoy," if it becomes law.

The association concentrates its criticism on Section 41, page 22, which concerns Right of Entry. The section states that "Any of the following persons, namely, (a) an employee of the Crown in right of Alberta authorized by the Minister to do so, or (b) a member of the council, or (c) a member of (1) the Board, or (2) a regional planning commission, or (3) a municipal planning commission, or (4) a developmental appeal board, or (d) an employee of a council or a regional planning commission authorized by the council or the commission to do so, may at any reasonable time, enter upon land or a building for the purpose of making an inspection or carrying out any power or duty required for the administration of this Act, the regulations or any land use bylaw."

Subsection (2) states that "If a person specified in subsection (1) is refused entry or obstructed or interfered with in any way, he may apply to the District Court by way of originating notice for an order restraining the person named in the order or any other person from preventing, interfering with, or obstructing any person specified in subsection (1) from making an inspection or exercising any power or duty referred to in subsection (1)."

Section 136, page 77 deals with Offences and Penalties. "A person who (a) contravenes or fails to comply with any provision of this Act or the regulations, or (b) contravenes or fails to comply with a development permit or subdivision approval or a condition attached

thereto, or (c) obstructs or hinders any person in the exercise or performance of his powers or duties under this Act or the regulations, is guilty of an offence and is liable on summary conviction to a fine of not more than \$5,000 and in default of payment to imprisonment for a term not exceeding 12 months."

The Ratepayers Association comments that "The RCMP do not have that kind of authority in dealing with criminals, why should civil servants and even an employee of a municipality, be given this much authority in dealing with landowners and average honest citizens. "According to the Calgary group, "It is not the legitimate role of a government to be placing this type of restrictions and penalties upon the people whom they were elected to represent. We should be able to engage in free and competitive enterprise without government interference as long as we don't deny the same privilege to others."

Boating safety should begin in the driveway for the thousands of owners of trailer boats. The Canada Safety Council reminds trailer boaters to check tire pressures, hitches, bearings and lights so as to avoid a boating accident on the highway.

A boat doesn't have to hit anything to cause damage. The Canada Safety Council urges boaters to watch their wakes. Powerboat wakes can damage shorelines, docks and moored boats and endanger swimmers. Keep your wake to a minimum when proceeding through channels and near other vessels.

What Caught Our Eye

EXPENSIVE ACCIDENT From Printer and Publisher

The following story would make a good testimonial advertisement for a tire company.

Gerard Gasson was driving in Northern France when his Citroen skidded on a bald tire and came to rest stalled across a railway crossing.

He and his wife immediately got clear of the car as there was a train coming. The engineer and brakeman aboard the train also abandoned their vehicle just before it struck the Citroen.

The train tore up 100 metres of track, struck a railway bridge and plunged into a canal with 21 cars carrying beer and soup.

The beer and soup mixture soon put an end to the fish in the canal. The railway line was closed for nine days while six cranes fished the freight cars from the water and the bridge and canal were repaired.

After all claims were in including suits by barge owners who couldn't use the canal, the owners of the beer and soup and personal claims by the engineer and brakeman who had both suffered injuries, the total insurance bill topped \$9,600,000.

The insurance bill is the largest so far paid in a private auto accident in Europe and likely all the world.

Gasson's premium increased a mere \$15 from \$60 per year to \$75 per year. All this for one bald tire? Sort of makes you want to check yours today.

2.6 MILLION COLLECT UNEMPLOYMENT PAY

OTTAWA (CP) - Ed Broadbent, New Democratic Party leader, asked Manpower Minister Bud Cullen on Thursday whether his department has estimated an additional 200,000 Canadians would be collecting unemployment benefits in the next two years.

Cullen said he could not conform the figures but would check.

There now are 2.6 million persons receiving jobless benefits.

When the 2.6-million figure was first made public, Cullen called it an anomaly he could not explain.

In the Commons, Broadbent referred to Cullen as the "minister of misery."

Broadbent also asked for confirmation of a manpower department estimate that the cost of unemployment insurance benefits this year will be more than \$4 billion.

The government should spend the money to create jobs rather than pay benefits, Broadbent asked.

Total unemployment insurance payments for 1976 were \$3.362 billion, according to Statistics Canada.

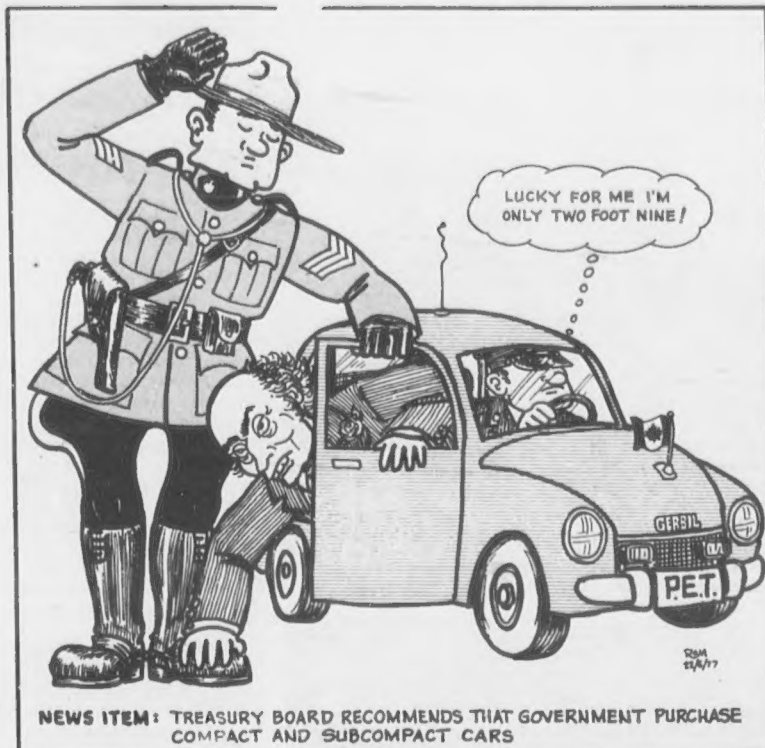

WORM TREATS NOTHING TO WIGGLE ABOUT

TERGO, Wisc. [AP] - Irene Stockman is a master chef, although she might have a problem getting some people to sample her recipes. She cooks worms.

She won first prize in the "nightcrawler and angle-worm" bakeoff held in Twin Falls, Idaho, by Northern Bait and Ecology Farms.

She baked a worm cake that was so tasty the judges elevated it above such contest favorites as wiggle biscuits, chocolate worm delight, worm egg salad and "Mexican bean casserole mucho wormo."

It was a modest contest, with a grand prize of \$25.00.

Manitoba proposes to enter insurance field

From the Financial Post
Ed Schreyer's NDPs recently tabled a White Paper on an insurance scheme which will cover all working Manitobans with an accident and sickness insurance plan.

AGT
GOOD NEWS PARTY LINE

MUSEUM HOURS
* Father Lacombe Museum, 20 St. Vital Avenue, will be open Wednesday to Sunday, 1 p.m. to 8 p.m. until July 1. From July 1 till end of August, the hours will be from 9 a.m. till 9 p.m. daily.

PUT IT HERE
CALL OR WRITE THE EDITOR OF THIS PAPER TO INCLUDE GOOD NEWS OF EVENTS AND HAPPENINGS YOU WANT TO SHARE, COURTESY AGT

The plan is projected to cost Manitoba taxpayers \$8 million for which they will receive 24 hour protection and "moderate" benefits including up to two-thirds of a person's salary not covered by Worker's Compensation.

The paper says the long-term goal of the program will be to provide a universal, comprehensive and efficient system to cover all Manitobans, working or otherwise. This is expected to raise the cost of the program to \$18 million.

Similar studies are underway in Ontario, Saskatchewan, and Alberta. This increasing government activity is becoming alarming to private industry and has been a major source of discussion among members.

The governments feel the private insurance companies have not penetrated the field as much as is socially

desirable. To combat the governments encroachment, private industry is looking for some method of reaching and insuring the sub-standard wage earner who was not approached in the past.

The problem in the past has been private industry's policies regarding high risk policyholders which require those who are in greatest need of an insurance policy to pay significantly higher premiums.

The task of private industry will be to find a solution to this problem that will be socially and financially viable. If not, then we can expect the government to move in their place.

Underground construction saves energy

From the Financial Times
Skyrocketing commercial and industrial power costs have made the use of underground construction increasingly attractive.

Potentially energy savings are projected as high as 75% when compared to conventional surface buildings.

Proof of the energy savings made possible can be seen by the example of Inland Storage Distribution Centre in Kansas City, Kansas. This four million sq. ft. underground building has an estimated saving of \$210,000 per month on refrigeration costs. At this rate of saving any additional construction costs associated with underground building would be quickly made up.

Problems related to working underground-like having no windows-have caused some problems with workers but, as is evident by the success of underground shopping in many Canadian cities, these may be quite easily overcome.

Companies with underground offices and stores have not experienced any unusual turnovers or loss of employees according to Truman Stauffer, a University of Missouri professor. Many employees actually prefer the underground conditions which have the advantage of always remaining constant.

Unlikely as it seems, working underground could be part of the future of many Canadian business and industrial personnel - one of various possible lifestyle changes ahead as Canada enters an era of scarce and highly expensive energy.

THE CITY OF
St. Albert
ENGINEERING SERVICES

INVITATION TO TENDER

Tenders are invited for the Hebert Road Improvements, St. Albert.

Sealed tenders, marked "Tender for Hebert Road Improvements," will be received at the Office of the City Engineer, City Hall, St. Albert, Alberta, up to 2:00 p.m., local time on Tuesday, July 5, 1977.

The work includes approximately 9,000 lineal feet of concrete curb, 8,500 square yards of asphalt concrete base course, 8,400 square yards of asphalt concrete surface course, together with other ancillary works.

Tender documents may be obtained at the offices of Walker, Newby and Associates Ltd., 10835 - 120 Street, Edmonton, on or after June 20, 1977, upon depositing Fifty (\$50.00) Dollars cash or certified cheque. The deposit will be refunded on return of the documents not later than seven (7) days following the closing of the Tenders.

Tenders must be accompanied by a bid bond in the amount of ten (10%) percent of the total contract price, made payable to The City of St. Albert.

The lowest or any tender will not necessarily be accepted.

Apparently this bronc didn't hear the eight second buzzer signalling the end of the ride.

Rodeo clowns play a much more important role than entertaining the crowd during the bull riding. Once the rider hits the dirt the clown attracts the bulls attention away from the fallen cowboy until he has a chance to right himself.

Sturgeon resident complains to council on commercial development

COUNCIL RECEIVED a letter from Robert Heit of 11 Scarboro Place which was a formal complaint about commercial developments going in west of the St. Albert Trail across from Scarboro Place.

A restaurant facility has been approved on the Trail site and a discotheque and motel development could follow according to Mayor Dick Plain.

Alderwoman Margaret Smith said that council should keep a close eye on developments west of Highway Two, adding "the sooner we (justify) the by-pass the better."

Following are some of the highlights from the regular meeting of St. Albert council last Monday night. Mayor Dick Plain was in the chair and all councillors except Myrna Fyfe were present.

COUNCIL ACCEPTED the tender submitted by Consolidated Concrete for 6,000 tons of street sand in the amount of \$30,000.

A BYLAW will be prepared to bring about the closure of access from Glenview Crescent to Sir Winston Churchill Avenue. Once the bylaw has been passed by council, access will be restricted to cyclists and pedestrians.

COUNCIL MOVED TO RECEIVE the \$395,013 bid of

Wells Construction for the widening of Sir Winston Churchill Avenue between Cunningham Road and Riel Drive.

Four other firms made tenders for the road widening job. They were, Standard General, \$514,242, Carmacks Construction \$488,984, Everall Construction, \$450,679 and Peter Kiewit Construction \$430,674.

COUNCIL RECEIVED the final population figure for St. Albert according to the 1976 Census of Canada. That figure shows that St. Albert's 1976 population stood at 24,129. Canada's population at June 1 last year stood at 22,992,604 an increase of 6.6 percent or 1,424,693 from the previous census in 1971. The provinces of Alberta and British Columbia showed the greatest growth rates at 12.9

each.

COUNCIL MOVED the approval of the construction of a hardware centre at 4 Riel Drive following a recommendation to that effect from the Municipal Planning Commission.

COUNCIL APPROVED A recommendation from MPC on the application for subdivision of Lot 3, Block 1, Plan 276 KS by Birkholz Construction Ltd.

The application was approved subject to various technical conditions.

CONCERNING SOME VACANT lands near 73 Grosvenor Boulevard, council decided not to rezone them from C-2 to park, and not to purchase the land from general revenue funds for park purposes.

Local man honoured with fellowship

The Royal Architectural Institute of Canada has announced that Fellowship in the Institute's College of Fellows has been conferred upon Norman Matthew Fleming, a resident of St. Albert.

Fellowship is the highest honour the Institute can bestow upon a member and

is awarded in recognition of professional eminence and distinguished service to the profession. It was conferred on 13 members of the Royal Architectural Institute, who will be formally received into the College at the Convocation on June 28, during the Institute's 1977 Annual Assembly at the Bessborough Hotel in Saskatoon, Saskatchewan.

Mr. Fleming is assistant deputy minister, project management division, Alberta Housing and Public Works.

Attention, small boat operators!!! A message from the Canada Safety Council. If you see a red flag with a diagonal white stripe, bobbing in the water, give it a wide berth. It means there's a diver in the area and you should steer clear.

THANK YOU

ST. ALBERT PUBLIC LIBRARY would like to thank the following people for helping to make our float in the rodeo parade a success:

Donna and Dean Purschke from Big Lake Sod Company, Laurel Phillips from the St. Albert Figure Skating Club, Mike Donnelly, the children who rode on the float and the mothers who created their costumes.

Around Town

In the early hours of Sunday morning, Doug Kane, resident of Bocock Drive, was called from his bed by a noisy doorbell. He was very surprised to see Cst. Lawrence at the door, who asked him if he owned a motor-

cycle, and if Doug had any knowledge of one being stolen. Doug looked out into his backyard, and sure enough, his Yamaha 400 Endura was missing. Cst. Lawrence in making a routine check on an early morning driver, happened

upon a suspect who was in possession of Doug's motorcycle, and was in the process of hauling it away in a U-Haul Trailer, down the road that runs past the Sturgeon Valley Golf Club. Doug is very appreciative of the work done by Cst. Lawrence in the returning of his bike and especially thankful for the tip on the uselessness of the steering lock on most bikes.

District 3 administration survey brings suggestions

Last fall, financial difficulties within School District 3 prompted that district's board to ask the regional office of education to assess the district's administrative structure. It was hoped that the study would clarify the means by which the district can minimize its effectiveness and its costs.

Specifically, the survey was requested because of difficulty experienced by the board in financing their present program and services, as well as the fact that the district will be losing 120 high school students in the fall. These students, from the Sturgeon district, will be attending the new high school at Nampah.

Those conducting the survey commended the district for its hiring policies, which given preference to highly trained and qualified teachers, and commented favourably on its high retention rate. However, it also commented that certain staffing traditions retained in some schools are not consistent throughout the system.

In its discussion of schools, the survey revealed that, with central office staff included, the district has an overall pupil teacher ratio of 16.9. However, with class enrolments averaging approximately 27, the ratio ranges from 18.2 to 20.1 among the six schools.

The survey discovered that

school principals spend from 75-100 percent of their time on preparation and administration. Vice-principals devote from 29-75 percent of their time to these functions, while assistant principals spend 31 percent of their time this way. Teacher preparation time ranges from 8-25 percent.

In interviewing individual staff members, including administrators, the board chairman and teachers, the survey team found that communication is better in some schools than in others.

QUESTION RESOURCE ROOMS

During the interviews, some teachers expressed doubt as to the effectiveness of resource rooms, where teachers work with small groups of students. Some commented that resource and transitional rooms could be discontinued, and their staff could be redistributed to reduce the overall pupil-teacher ratio. It was also suggested by some that special education provisions could be discontinued. However, the survey's authors noted that this would result in the loss of provincial funding for special education, and local funds would probably not be available to provide extra teaching staff or reducing class loads.

The survey team reported

favourably on the district's financial system, and on the attitude of administrators to their present financial difficulties. In individual interviews, several suggestions were made for economizing. A saving of \$120,000 was seen for next year, brought about by the loss of 120 students to Nampah High School. This could mean a staff reduction of six teachers, with an average salary of \$20,000.

Because high school co-ordinators are also involved in counselling, the need for a counsellor at the high school was questioned. It was further suggested that the counsellor at Vincent J. Maloney Junior High school remain full-time there and that the other two counsellors work at Bertha Kennedy School, Vital Grandin School, Albert Lacombe School, and Father Jan School. It was also suggested that the teaching time of co-ordinators be increased to 75 percent.

In regard to resource, opportunity and transitional rooms, the opinion was expressed that the special education classes be retained. The district operates resource rooms at Vincent J. Maloney School, Albert Lacombe School and Vital Grandin School, and two opportunity rooms and two transitional rooms at Vital Grandin School. One exception is the possible curtailment of one transitional room at Vital Grandin.

INCREASE TEACHING LOAD

In discussion of the administration, strong suggestions were made by interviewers that principals should spend more time teaching, to increase their awareness of the school climate. It was also felt that the teaching load of vice principals should be increased. Interviewees were almost unanimous in their opinion that the position of assistant principal could be eliminated, with the duties of that position being absorbed by the principal, vice-principal and teachers.

Those interviewed felt that the Instructional Materials Resource Centre was val-

uable, but some questioned the necessity for a full time professional teacher to operate the centre, rather than a technician. However, the authors of the survey point out that a technician would have very little knowledge of curriculum design and materials requirements. Thus, a professional teacher would still be needed as a part time supervisor.

In discussion of preparation time, teachers expressed satisfaction with the amount of time they have, but realize this ideal situation is unlikely to continue. An increase in the teaching loads, and an increase in the teaching duties of co-ordinators, principal and vice-principal could result in a time saving

equal to the amount represented by four teachers.

The survey team concluded that some reduction in staff can be made without adversely affecting the overall quality of education. Reductions could be effected without harm when there has been a loss of students, by the withdrawal of some counsellor and co-ordinator services and some remedial services. An increase in the teaching time for almost all teachers would further enable staff reduction.

The authors of the survey emphasize that these suggestions are those of the interviewees, and are not a directive or recommendation from the Department of Education.

1977 ALBERTA JUNIOR CITIZENS OF THE YEAR

Last call for Alberta Junior Citizens of the Year nominations! This is your opportunity to help us give recognition to the young super citizens of our province. It could be the girl down the street, a boy on a nearby farm or an outstanding group in your community. Any young person or group, 6 to 18 years of age, who has performed an act of courage, initiative, selflessness or responsibility is eligible for an Award and a Canada Savings Bond.

Alberta Junior Citizens of the Year Awards have been sponsored by Alberta's investor-owned electric utility companies with the active cooperation of community newspaper editors since 1961.

SCHOOL BUSING DEFICIT EXAMINED

A busing deficit of \$305,000 has prompted the Leduc

It's not a good idea to hang around after the parade as these Cadets discovered. The Kinsmen picked them up on a charge of loitering.

county school committee to establish an ad hoc committee to investigate the system's efficiency and economy.

The deficit is considerably higher than that of other districts, and the Department of Education has expressed concern. The four-person committee will have access to department resource experts and central office personnel in conducting the investigation.

To increase the operation's efficiency, a bus supervisor may be appointed to oversee the system's operation. In addition, other measures to reduce busing costs can be taken, including better use of bus seating capacity, re-arranging routes and eliminating buses.

The ad hoc committee is expected to make a report on its findings in August. However, recommendations may take three or four months to implement.

Leduc's 1976-77 deficit represents about 35 percent of the estimate busing budget. The average busing deficit for school districts in Alberta is between 15 and 20 percent, and in one case, a school authority in Southern Alberta is making money on its operation.

SHERWOOD PARK NEEDS TEEN CENTRE

Sherwood Park, billed as the biggest hamlet in the world, is a "bedroom" community, and as such, is having problems. The community has no industrial base, as it is a satellite of Edmonton. Thus, the service businesses normally found in an industrial urban area are absent from Sherwood Park. Without movie theatres, discos and other youth oriented places, the community's youth is left with no place to go.

Interested members of the locality are hoping to build a teen project to answer this need. The County of Strathcona Youth Association was incorporated earlier this year, and its junior and senior boards have worked out a plan for the centre.

The proposed centre will be constructed of cedar logs, and will have a large open area inside for movies, discos, jam sessions, talent nights, banquets and film nights. There will be a study room, TV room, office space and kitchen concession. Downstairs a 2500 square foot area will be left in concrete for roller skating and games.

The County of Strathcona has donated land for the project, plus \$4,000 to the project. The province has given \$20,000, Imperial Oil \$2,000 and Beta Sigma Phi \$100. This leaves them \$61,900 short of their \$100,000 target.

THUMBS DOWN ON FORT ARTS CENTRE

A plan for an arts centre at Fort Saskatchewan has been killed by town council, by the rescinding of a borrowing debenture bylaw for the centre.

In a report recommending the move, it was stated that the library and theatre segments of the proposed complex were

excessively expensive, and would not generate enough revenue to make the complex an economic concern. The report instead recommended the upgrading of the existing community hall.

The report also pointed to the fact that the town is not of a size yet to justify a theatre, and that inadequate parking would be a problem.

The project would have cost \$2.9 million and consisted of a library, theatre and crafts facility.

ERRING CYCLISTS LOSE BIKES

Lawbreaking cyclists in Wetaskiwin may find themselves savouring the joys of walking in the future, if they are caught in contravention of traffic regulations. City council recently voted to empower the RCMP detachment to impound the bikes of those who contravene bylaws or the highway traffic act. The new law will also apply to mopeds.

There has been a growing concern in the city with the growing number of cyclists breaking the laws, particularly by running red lights, riding double and riding without lights at night. Up until now, the only recourse of the police was to lay charges and have the offender appear in court. It was felt that the impounding of bikes was a more effective way of righting the situation.

The RCMP reported that the age group most frequently found breaking the traffic laws were those from 10-16. Youngsters of this age have not yet obtained their driver's licences, and tend to be less aware of the problems they cause on thoroughfares.

SAANICH GETS INDUSTRIAL PARK

Despite numerous obstacles, Saanich, sister municipality to Victoria, will soon have its own industrial park. The park will benefit all of greater Victoria, but will particularly aid

the burdened Saanich taxpayer.

Saanich began its campaign for the park in 1960. It ran into zoning problems however, because, despite the fact the 40 acres in the designated area were zoned for light industry, 60 acres in the rear were frozen for agriculture, while a 30 acre area at each end was zoned residential. The 40 acre area was insufficient for the park. Finally, however, the new provincial government lifted the agricultural restriction and the Capital Regional District extended the industrial zone to include the two residential areas.

The provincial government is now being petitioned to improve the highway access, and planning of the roads and sewer system is underway.

The park is being developed under land use contract, and lots will be available in one and one-third acre parcels. Aesthetic aspects are being given careful scrutiny, and a 100-foot buffer strip of existing trees will divide the park from residential areas.

The municipality of Saanich has a new advisory design panel which must approve all plans, but apart from this, Saanich will act in an organizing capacity only.

SHOW HOME

91 AMHERST
CRES. ST. ALBERT
458-5806

CHIEF ELECTORAL OFFICER

\$45,000

Reporting to the Legislature, the Chief Electoral Officer's responsibilities are described in the Election Act and the Election Finances and Contributions Disclosure Act.

The first CEO will be at the forefront in applying new and amended legislation, where his/her decisions will be precedent setting. The initial major responsibility will be to build an administrative organization.

Under the Election Act, the CEO manages the conduct of provincial elections and oversees the annual enumeration process.

Under the Election Finances and Contributions Disclosure Act, the CEO ensures the public disclosure of the amount of contributions and expenditures, ensures limits on contributions are adhered to and ensures the disclosure of the identity of major contributors.

Candidates will be backed by a successful career in general management OR law OR accounting supplemented by a firm grasp of provincial politics. They will have proven managerial and administrative skills consistent with the status and responsibility of a deputy minister.

Term: Subject to reappointment by the Legislature.

Early applications are requested as it is anticipated an appointment will be made by late summer.

Interested applicants may obtain more details by replying in confidence to:

THE DENIM DEN FLOAT was tops in the St. Albert rodeo parade last weekend - It won top marks from the judges for originality.

Nominees sought for achievement awards

The Alberta government is looking for achievers -- and homes the public will aid in bringing them to the fore. In their search for recipients of the 1977 Alberta Achievement Awards, Alberta Culture is seeking those deserving special contribution to the arts, education, humanities, sports, sciences or other fields. The public is asked to name names of people thought deserving of such an award.

There are three categories of awards. The Competition Awards will be given for amateurs competing in sports and non-sports fields between September 1, 1976

and August 31, 1977. Nominees qualify who, as Alberta representatives, have placed first in a Canadian championship; or first, second or third in a recognized international competition.

In the Service Awards, individuals or groups will be recognized who have been noted for outstanding service normally extending over a period of 10 years or more and having provincial or wide regional impact. This service will have been performed in a voluntary capacity.

The final category is that of the Excellence Awards, for individuals or groups who have been noted for ex-

ceptional contributions and achievements on a professional or occupational capacity at provincial, national or international levels.

The deadline for nominations for the awards is September 2. For further information or nomination forms, write to Alberta Culture, Achievement Awards Program, 14th Floor, CN Tower, Edmonton, Alberta, T5J 0K5 or telephone 427-2926.

Zoning bylaw gets first reading

St. Albert council gave first reading to bylaw 27/77, a bylaw to amend bylaw 23/71 at its regular meeting last Monday night.

Council went into public hearing on the zoning bylaw before it later gave first reading to it.

Two members of the public were at the hearing; they were Alfred Schalm and Harold Peacock, on the board of deacons of the Elim Church.

Apparently any future expansion plans for the Elim Church could be affected by a single family residential development if land close to the church is rezoned from Development Control to Single family residential.

Mr. Schalm was worried that some land stripping at the site for the development might be "after the fact."

City Administrator Bob Byron told the hearing that the developer had to do the stripping at his own risk.

But the main issue seems to be that plans for future church or church oriented developments like seniors homes might find themselves scuppered because of the

proposed rezoning of the land.

(The area set for rezoning is on Grandin Road south of Gilchrist Place).

It was also pointed out at the hearing that a seniors home for the area would counter the present zoning which is development control, not institutional.

Mayor Dick Plain asked the hearing if there were

plans for the development of the lots indicated, but Mr. Schalm replied they did not have the plans at this point as the property was under development control.

Mr. Schalm also suggested that as St. Albert grew and if developments of this nature were wanted, "we (the churches) have nowhere to go."

HORSES AND RIDERS were a common sight this weekend at the St. Albert parade. This entry was from the Northern Alberta Pinto Club.

Seniors discuss choir and summer outings

Visitors to our city who are senior citizens will be made very welcome at any of the club activities. If further information is required, phone the president, Dan Richardson at 459-6229.

Cards and bingo are played at the Senior Citizens Centre (north of the curling rink) on alternate Tuesday afternoons at 1:30 p.m. Bingo will be played on June 28 and cards on the following Tuesday, July 5. A very nominal charge is made to cover the cost of refreshments.

On Thursday, June 23, at around 12:30 p.m., there will be demonstration of flower-

making given by Doreen Robinson. This is a fascinating craft and a very useful one to acquire. Everyone is welcome.

The demonstration will follow the usual Thursday lunch which is provided for a limited number each week through the meals-on-wheels program. Any "senior" or anyone knowing a senior who would benefit from an occasional meal at the Centre should phone Hettie Blades at 459-4756 or Pat Gray at 459-7476.

A short program usually follows the lunch - sometimes there's a sing-song around the piano, sometimes a short session of easy exercises (you don't have to participate) and sometimes a slide presentation or a demonstration as there will be on June 23. The music and the exercises are in the capable hands of Bertha Kennedy and Ethel Cuts who are also very interested in

getting a choir formed. Although choir practices will probably be held on another day later on, anyone interested in singing in a choir should join the rest of the "gang" at around 12:30 p.m. any Thursday.

Russell Naves recently agreed to look after the Club's travelling arrangements and has already organized one bus trip and picnic to Elk Island Park, scheduled to take place on June 22.

Russell plans on having an outing every other Wednesday throughout the summer. After Elk Island, the next jaunt will take place on Wednesday, July 6.

Memberships (\$1.00 per person) for the year which will end on April 30, 1978 are now available and should be purchased as soon as possible. They can be obtained from any member of the executive at the Centre.

STARTS THURSDAY, JUNE 23.

The one and only real live Evel Knievel in his first dramatic movie role.

Guiding commissioner honoured at dinner

A dinner party in Edmonton Friday evening honoured Mrs. John (Georgina) Tupper for her service to Guiding in St. Albert and Tamarac area.

Mr. and Mrs. Tupper and their son Stuart will move in July to Halifax, N.S., where Mr. Tupper, a pilot in the air branch of the Canadian Armed Forces, has been stationed. Their daughter Karen, who has completed her studies at University of Alberta, will remain in Alberta to undertake her first year of teaching at Sundre. Stuart completes grade nine at Sir George Simpson this month.

Mrs. Tupper joined St. Albert Division in 1971 as lieutenant in Fifth Guide Company. The following year she accepted the position of Captain of Fifth, and in addition, served Grandin district as deputy, then full commissioner, when she trained and directed training for Tamarac Area.

Her work in Guiding began in an Ottawa suburb 14 years

ago when she became Sawny Owl for her daughter Karen's Brownie pack. At each new location of her husband's bases -- Don Mills, Ont., Moosejaw, Sask., Fairfax, Va. -- she served in the Guide-Scout program.

The gifts to her included a Thanks badge from Grandin district. The Thanks badge symbolizes service beyond the normal.

Present at the dinner, held at the Rendezvous Restaurant, were Pat Webber, Spruce Grove; Teresa Malden, Stony Plain; Evelyn Fraser, Gibbons; Helen Lesychen, Bon Accord; Linda Whittle, Edmonton; Wreford O'Hara, Lita York, Ann Sargent, Joyce Smith, Louise Rasmussen, Beryl Roach and Mrs. Tupper, all of St. Albert.

The Liquor Licensing Act

PUBLIC NOTICE OF APPLICATION FOR DINING LOUNGE LICENCE

Objections to this application shall be made forthwith to The Alberta Liquor Control Board, Edmonton.

Dated at St. Albert, Alberta, this 22nd day of June, 1977.

District 6 School Board Briefs

At their meeting Wednesday night, trustees of school district 6 attended to the following items of business.

Don Munro reported that the Education Committee would look into the proposal for the Regional Film Library. The Department of Education is going ahead with this project, and the district may choose to be involved if they wish.

Mr. Munro also reported that the Education Committee will review proposals for a district policy on Student Evaluation and Promotion. Earlier in the year, the board

had asked that the administration review policy throughout the schools in the district regarding this matter. This was done by Mr. Prather and Mrs. Martin, who then drew up the proposed policy.

Mr. Munro announced that the Annual Joint Committee meeting will be held at Paul Kane High School, Tuesday, June 21 at 7:30 p.m.

Mr. Murdo MacFarlane, chairman of the Buildings and Properties Committee moved that the board direct the administration to advise the architect for West Gran-

din School to retender the school. The motion carried.

Mrs. McCaffery moved that the board approve the Procedure for Administrative

Transfers and Appointments. Chairman Bill Webber moved that the phrasing in the section on interviewing be amended. The motion as amended was carried.

Mr. Webber moved that the board accept the proposal of Seaboard Life Insurance in regard to student accident insurance. The motion carried.

The next board meeting will be at Paul Kane High School, Tuesday, June 21, at 7 p.m., prior to the Annual Joint Use Committee meeting.

Fluoride - poison or panacea?

The furor over fluoride has by no means been laid to rest. Since the 1950's first saw the controversy erupt, the battle has continued sporadically. However, over the years, most communities have seen fit to introduce the chemical into their water supplies.

However, the story has not ended there, and the argument rages on. Does the chemical prevent dental caries? Or is it a poison, suited only for its original purpose of etching glass? In North America and Europe, 173 communities have taken the latter view and have discontinued fluoridation of their water supplies. However, these withdrawals from

the fluoride program have gone unheralded, as have the reasons for them.

The symptoms reported by the communities discontinuing fluoridation make chilling reading. Coeur d'Alene, Idaho reported chinchilla herds dying, and noted that some animals were born dwarfed and sterile. Humans experienced skin rashes and kidney damage. In some areas, fluoride was voted out on the advice of the medical and dental professions. Inflamed mouths, sick stomachs, stiff joints and mottled teeth were all reported in the areas that eventually ceased fluoridation. Even an elephant was reportedly laid low by the ingestion of fluoride.

Life insurance shopping to be made easier

An agreement in principle has been reached by the Canadian Life Insurance Association and the Consumers Association of Canada regarding the compilation of a shoppers' guide for life insurance buyers. It is expected to be published later this year.

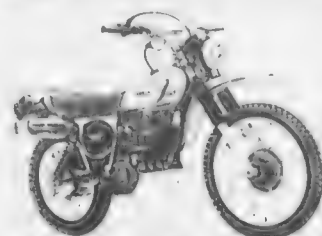

Lawrence Welsh, writing in the Globe and Mail, says the guide will give cost comparisons for similar policies issued by the major companies.

The CLIA will distribute a

questionnaire and narrative to its member companies asking them to submit pricing information to the CAC. The guide will be an objective presentation of the price of insurance with no judgements made as to the type of policy that should be purchased.

Helen Anderson, of the CAC, believes the guide will be an important step toward enabling life insurance agents to represent more than a single company.

Leddys honoured on silver anniversary

About 120 friends and relatives gathered in the St. Albert Community Hall Friday evening to celebrate the 25th wedding anniversary of Jim and Shorty (Lavina) Leddy. Following a reception dinner was served, and the Leddy children hosted the event.

Seated at the head table with the honoured couple were their three children, sons Terry, 18 years, with Toni Sullivan, Gary, 17 with Michelle Gibeau and daughter Cathy, 14; best man at the wedding, Mike Melton and his wife Peggy from Calgary; original bridesmaid and sister of Jim Leddy,

Trudy Doering and her husband of St. Albert; flower girl Shirley Dykes of Sherwood Park district; Mrs. Mary Goebel of Edmonton, mother of Shorty Leddy and Master of Ceremonies Bill Dandineau and his wife Hazel of Edmonton, who said grace.

Three of Mrs. Leddy's sisters were present, Florence and her husband Neian Georj and Clara and husband Les Wildee, both of Edmonton, and Gerry and husband Ed Howorko of St. Albert. Two of Mr. Leddy's sisters were also on hand, Trudy Doering and Irene Willey of Edmonton.

The master of ceremonies

kept people entertained during dinner with some introductions of special guests and amusing anecdotes about Jim and Shorty. Out of town friends were present from Hinton, Vermilion, Spruce Grove, Fort McMurray, Calgary and Edmonton.

Terry Leddy spoke on behalf of the family, expressing their gratitude for caring parents who supported their children in so many ways. He had a funny story about an eventful excursion to the north - when the family had to stick together through quite a number of unplanned difficulties, but everybody took what came in their

strike. Mike Melton proposed a toast to the anniversary couple, commenting on what good friends they have been to many people and expressing the wish of everybody present that the Leddys enjoy many more wonderful years together.

Dick Wilson, now of Calgary, spoke of the wonderful support of both Jim and Shorty in 'all the sport activities in which their family took part, and had some amusing stories to tell of hockey trips and others. "The Leddys could always be depended on to help out," he noted, and spoke also of their

close family relationship. After his sometimes witty, sometimes serious talk, Dick was assisted by Doug McConachie in presenting a toast - burnt quite black it was.

The Leddys received a beautiful set of back yard furniture fashioned of red cedar with padded chairs and lounge, a table, large umbrella and a propane hooded barbecue, plus a number of smaller gifts. The hall was decorated with bowls of flowers on the stage front and table, which was centered with a three-tier wedding cake, and silver

anniversary banners.

Mr. Leddy thanked his children for arranging the celebration and said how happy he and Shorty were to have so many of their friends with them. We are fortunate in having a lot of good friends, he said - and they mean so much to us. He also expressed their appreciation for the gifts.

The honoured couple, followed by the wedding party, led off the dance which continued to the small hours to a band who kept the floor crowded, as all present enjoyed a wonderful evening.

EDUCATION COMMENT

Church, family ties help students who shun drugs

Why do some kids feel driven to use drugs, while others don't?

Recently, the St. Louis County Office of Youth Programs studied the question, interviewing teen-agers who have not used mind altering substances in the last year.

A background profile em-

erged of students who do not use drugs, including alcohol. In that profile, parental discipline, family togetherness and the influence of religion all played a strong part.

The researchers found that nine out of 10 non-users termed themselves close to

their parents. It was also noted that eight out of 10 said their parents frequently "checked up" on them when they left the house. Religion was described as very or moderately important to eight out of 10 non-users.

Of the non-users, about 80 percent achieved A or B

averages in school. Three out of four reported involvement in extra-curricular activities, and 28 percent said they spent more than six hours per week in such activities.

The researchers found, to their surprise, that monetary concerns played very little part in the students' de-

cisions not to use drugs. Saving money was not a factor, nor was a part-time job considered an influence in their stance.

Non-users were not greatly concerned with popularity. Eight out of 10 termed themselves satisfied with their popularity, and less than 20 percent considered themselves "very popular." This fact led to the discovery of perhaps the most pertinent fact -- 95 percent of the 178 teen-agers interviewed described themselves as "more independent" than their classmates, and more than half termed themselves "very independent."

It was evident from the interviews that fear of punishment, legal or otherwise, had little to do with the teen-agers' decisions. Nor did the lack of opportunity to indulge -- only two out of the

178 reported they had never been offered a chance to do drugs or alcohol.

Those who conducted the research concluded that students who had chosen not to do drugs appeared "very well-adjusted, eager to remain busy at school or church," and who don't see the necessity for drinking or taking drugs. They concluded from the interviews that teen-age drug and alcohol abuse stem primarily from a deterioration of family life, and could not be eradicated by police or government action.

The researchers stated that families concerned with the problem should re-examine their own use or abuse of alcohol and drugs, the place of organized religion in the home, and the degree to which the family experiences togetherness.

Openings available in workshop

There are still some openings available for musicians at the summer flute

workshop to be held July 3 to 16 at Red Deer College. All levels of performance skills will be accepted.

Co-sponsored by Alberta Culture and Red Deer College, this year's workshop features instruction by

world-famous musician and conductor Louis Moyse, Professor of Flute and Chamber Music at the University of Toronto.

The workshop consists of master classes, group lessons and ensemble playing. Each participant will receive individual attention from Mr. Moyse. There will also be a wide range of recordings and literature available to help students increase their awareness of flute repertoire and styles.

The fee of \$175 includes all meals, accommodation and instruction for the two week period. A one-week course is also available for \$87.50, July 3 to 9 or July 10 to 16. Sports and social programs will also be planned.

Environmental seminar in Banff

This fall the School of the Environment at The Banff Centre is offering a seminar on Environmental Decision-Making and Management

(EDMM), September 11 - 17. Established in July, 1976, the school seeks to bring together a cross-section of individuals and groups aim-

ed at developing a better understanding of the natural environment and man's place in it.

The EDMM program is designed for those who hold a vital interest in, or responsibility for, decision making that will ultimately result in some kind of impact on the natural environment. The objective is to enable seminar participants to become more aware of the results of such decisions, and to develop a balanced philosophy towards resource development and environmental protection. Because the EDMM program takes place within the boundaries of Banff National Park, the mountain environment will function as the "learning laboratory," using case studies and field experience as the primary approach. Studies will encompass ecological, economic, social, legislative and political considerations.

able to pass on their knowledge to others in their communities. As residency programs, the courses will involve extensive studio work, lectures, films and seminars.

Cost is \$17.50 per course. If required, all meals and five nights accommodation is available at Lakeland College for \$32.50.

For more information contact Alberta Culture, Visual Arts Branch, 11650 - 142 Street, Edmonton, Alberta. TSM 1V4, Telephone: 427-2031.

Openings available in arts workshop

People with all levels of artistic skills have responded well to the variety of art and craft workshops to be held in Vermilion starting July 11. There are still a few openings left in painting, weaving, intermediate pottery, quilting and wooden toy making. Any community leader interested in these areas is encouraged to register now.

Sponsored by Alberta Culture, the five-day workshops are designed to help individuals develop increased artistic skills and leadership techniques so they will be

Busing, attendance areas discussed at meeting

The controversial issues of attendance areas and busing were aired once again at Wednesday's meeting of school district 6 trustees. Chairman Bill Webber remarked that the issue should be discussed in light of the recent dissension over the matter.

Heated debate on the issue flared up at a meeting of the board, administrators and angry parents at a meeting to discuss busing at Ronald Harvey School on May 31. The parents were protesting the busing of 49 grade six students from Ronald Harvey School to Sir George Simpson Junior High. Nothing was resolved at the meeting.

Asked to comment on the situation, Mr. Munro stated

that although the district is a small one, it is rapidly growing and that "busing is a way of life" for growing areas. He pointed out that this year, 200 elementary students were bused out of the district and that busing is not new. Mr. Munro also remarked that Robert Rundle and Sir George Simpson, an elementary school and a junior high school, had existed side by side, and that not many problems had arisen from it. In conclusion, Mr. Munro said that he would not change the present arrangements.

Trustee Shirley McCaffery asked if any provision had been made to enable students bused to Sir Alexander Mackenzie School to par-

ticipate in after school activities. Superintendent Elmer Gish responded that students would have to make their own arrangements for transportation home if they wished to participate in these activities. However, Mr. Gish referred the question to the school's principal, Mr. Lowell Thronson, who stated that although some elementary school activities took place after school, most occurred at noon hours.

Mrs. McCaffery then asked about the possibility of another bus being used to provide a separate run for grade sixes. This arose one of the concerns of parents at the May 31 meeting -- that of possible problems arising from grade sixes riding the same buses as older, sometimes rowdier grade nines. Mr. Gish responded that such a move could cause problems, and that it would be uneconomical to have two buses travelling the same route picking up different grades.

Mr. Webber then stated that he had visited Sir George Simpson to assure himself and parents that a special wing was extant for

elementary students. In a tour of the facilities with Principal John Arnot, Mr. Webber found the facilities "equal to any in the district." He also stated that he still supported the decision

made earlier.

Mr. Webber concluded the discussion, pointing out that the problem of extra curricular activities existed for all bus students. He stated that a possible solution would be

looked at when the district busing was straightened out for next year. As far as rowdiness went, Mr. Webber said that this would have to be looked at, and resolved.

U of A housing registry now in operation

The University of Alberta Students' Union Housing Registry has resumed full time operation to assist students in finding accommodation for the upcoming school year. The Housing Registry, a free service to landlords and students, is looking for rooms, suites, apartments and houses which are available now or can be made available by September.

Homeowners and landlords who have any vacant accommodations are asked to contact the Registry at 432-4212. All accommodations listed are incorporated in the Registry's 24 hour daily booklet which is distributed to students at the

following five locations on campus: Lister Hall Main Desk, HUB Office, Foreign Students' Office, SUB Information Desk, and the Registry's Office - Room 200 - SUB. Students can then select suitable accommodations, contact the landlord personally and negotiate individually.

Last year approximately

1,750 students were placed by the Registry during the summer months. Registry Director, Harald Kuckertz expects that approximately 2,000 students will utilize the service this year to find accommodations.

For further information, please contact Harald Kuckertz or Assistant Director, Barb MacLeod at 432-4212.

School Days In St. Albert

S.A.M. wins elementary track meet

Five hundred and thirty grade 4, 5 and 6 students from St. Albert's nine elementary schools took part in the ATA Division 11 Track Meet at Sir George Simpson this Monday.

Many individual and relay records were broken as it once again became apparent that St. Albert is budding with fine young athletes.

Ronald Harvey School improved greatly over last year's meet, getting outstanding efforts from Andrew Barnett (1st in 100 m., 2nd in long jump, 3rd in high jump, in the nine years and under boys). Albert Lacombe School had fine performances from Ryan Oddleifson (1st in the 11 year old high jump) and Leanne Murray (1st in the 11 year girls 100 m. and 400 m.).

VITAL GRANDIN DOMINATES RELAYS

Vital Grandin dominated

the relays, winning five and placing 2nd in two of the eight relays.

Leo Nickerson School had strong team efforts in the nine year old boys (11 pts.), 11 yr. old boys (16 pts.) and 12 yr. old girls (12 pts.).

Father Jan and Bertha Kennedy, the smallest schools in St. Albert had fine performances from Chris Komarnisky (BK) and Shannon Robinson, Kevin Hoffart, Cathy Pellerin and David Jolivet.

Sir George Simpson, combined their grade 6's with Robert Rundle's grade 4's and 5's and did particularly well in the nine year old girls category with Lisa Martin and Carla Belton coming second in the 400 m. and long jump, respectively.

SAM won the overall school trophy for the second straight year as their outstanding athletes and the sheer size of their school has made them the powerhouse of track and field.

Age division trophies went to: 9 yr. olds - V.G. (29 pts.), A.L. (19 pts.), S.A.M. (16 pts.).

10 yr. olds - S.A.M. (45 pts.), V.G. (29 pts.), R.H. (14 pts.).

11 yr. olds - S.A.M. (42 pts.), L.N. (27 pts.), A.L. (21 pts.).

12 yr. olds - S.A.M. (41 pts.), V.G. (26 pts.), S.G.S.-R.R. (13 pts.).

Overall school point totals were: S.A.M. - 144; V.G. - 99; L.N. - 59; A.L. - 53; S.G.S./R.R. - 36; R.H. - 35; F.J. - 9; B.K. - 1.

Twelve new records were set at the Meet, five in girls events and seven in events for boys:

Trent Rees of Leo Nickerson in nine year old ball throw with 41.70m. Robert Dollovoet of Vital Grandin in nine year old long jump with 3.69m. Todd Carnelly of Sir Alexander Mackenzie in 10 year old ball throw with 51.2m. David Wiffen of Ronald Harvey in 10 year old long jump with 3.72m. Jason Taylor of SAM in 10 years 400m. with 1.07.8. Ryan Oddleifson of Albert Lacombe in 11 years high jump with 4'4" and SAM school set a new 400m relay record with 59.7.

Girls athletes who set records were Cheryl Lozinski of Albert Lacombe in nine year ball throw with 35.31m. Sharon Schwitz in nine year long jump with 3.50m. Jody Baker of Simpson-Rundle with 30.62m. Loretta Lawrence of SAM in 10 years long jump with 3.86m. Barb Hiscock of SAM in 11 years shot put with 7.70m.

LONG LINE up of kids champ at the blt to get this race on the road.

Canada fitness awards at Vital Grandin School

Awards day was held at Vital Grandin Elementary School on Friday, June 17. Highlighting the presentations, which included the Intramural Awards, Cross Country Trophy, Gymnastics

Trophy, Klondike Relays Awards, Track and Field Awards, were the Canada Fitness Awards.

All of the schools 580 students participated in the battery of six tests during

their phys. ed. classes. The tests include: Speed sit ups, Flexed arm hang, 300 yard run, 50 yard run, shuttle relay and standing broad jump. Students can achieve one of four levels: bronze, silver, gold and the coveted "Award of Excellence."

1977 saw an unprecedented number of excellence winners as 72 grade one to six students achieved the award.

As more and more emphasis is being placed on all Canadians to become physically fit and more healthy, it is hoped that these students will realize the importance of a healthy body at an early age and maintain their interest in keeping fit throughout their life.

The following is the list of "Awards of Excellence" winners:

Adrienne Revai, Gary Berbenak, Brian Chai, Todd Matoga, Terrance Rosadiuk, Cherisse Tellier, Rosemary Wolfe, Denis Belland, Robert Boksteyn, Ed Douziech, Bruce Frier, Paul Pinco, Susan Schrader, Andrew Fedorus, Tannie Cyr, Dan Douziech, Cara Wheatley, Neil Bokenfohr, David Brunetta, Allister Barteski, Danny Durand, Todd Kathol, Carmen Laplante, Kent Lefebvre, James Sequin, Kelly-Anne Durand, Matthew

Pesklewis:

Ed Matesic, Robert McLoughlin, Shelly Mihalcan, Marlin Quessy, Loretta Scriven, Marilyn Stiff, Theresa Willot, Arthur Bosse, Maurcen Hughes, Mary Joyal, Andrew Emson, Darren Boutette, Nicole Ethier, Debbie Lopez, Tom Sanche, Bill Schilder, Darrel Symbalik,

Brenda Wear, Alana Blower, Robert Carter, Cindy Dearden, Carmaine Martineau, Pat Murphy, Angela Parth, Susan Seekings, Greg Gamborski, Tony Jenkner;

Maloney wins junior high tennis competition

With a total of 73 points V.J. Maloney school won the third annual junior high tennis competition and the St. Albert Sportshop trophy. Albert Lacombe (Gr. 7 and 8 only) was second with 61 points, Lorne Akins was third with 58 points, Simpson had 48 points, and Father Jan (Gr. 7 and 8 only) had 31 points. The competition saw one boy and one girl from each of Grade 7 and 8 taking

part and two boys and two girls from Grade 9. Top competitors in Grade 9 were Craig Konarnisky and Karen Bourgeois of V.J. Maloney. Top competitors in Grade 8 were Chris Donnelly of Maloney and Sonja Jenkner of Albert Lacombe. The top players in Grade 7 were Craig Iseke of Albert Lacombe and Shelley McLoughlin of Lorne Akins.

Paul Kane wins senior high tennis competition

Paul Kane High School swept the annual inter high school tennis competition for the third year in a row to win the St. Albert Tennis Club trophy 25-7. The Paul Kane girls: Janet Neeser, Leah Greathead, Heather York and Lianne Madsen defeated the St. Albert High girls Dianne Brochu, Kelly Pol-

anski, Joanne Bolton and Tracy Berube 12-4.

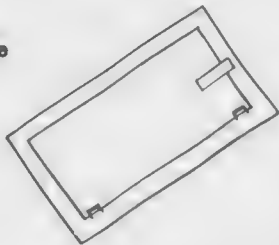

The Paul Kane boys: Steve Kirk, Bill Osborne, Chris Odinga and Mark Mill defeated the St. Albert High boys 13-3. The boys from St. Albert High were Tony Morris, Ron Bruinink, Randy Gusikoski and Pat Cassidy.

Concerning Women Of Today's World

Jean Begley writes:

Young people play it cool! You get yourself into more trouble by being hot-headed and blowing your top, when dealing with those in authority.

I saw an instance of this quite recently, when a young boy was stopped by police for failure to display a license on his motor bicycle. He had been checked by the policeman who was about to leave, when the young fellow made some unfortunate remark and as a result, the guardian of the law went after him and took him away in his car, leaving the bicycle on the side of the pavement.

When you are in the wrong remember 'the soft answer turneth away wrath'. It is no use losing your temper and making matters worse for yourself.

Now may I thank you for your phone calls and queries, some of which I shall reply to here. You will understand

that I cannot answer all of them this week as space is limited.

Ques. My husband would like to know how can he stop young teen-agers next door throwing bottle tops and junk papers over the dividing fence between our yards?

The family are nice neighbours and we don't wish to appear unfriendly by complaining.

Ans. This is a difficult situation, but one that ought to be settled. It must be very unpleasant for your husband to find garbage thrown into his yard, especially when he takes pride on keeping it neat and tidy.

I think when the unwanted bottle tops etc. are collected you might place them at the edge of your neighbours front drive, so that the parents of the teen-agers will see them and ask questions. You could also try making a remark kindly to the young offenders such as "Do please put your junk into the garbage bin and save me the bother of picking it up." This may do the trick but if all else fails, a tactful talk with the parents when you next meet would be in order. Avoid making a special visit just to complain about the children as it might induce a per-

manent 'bad feeling'.

Ques. I shall be getting married in a few months time. My father is dead and mother and I are wondering what I as bridegroom will have in the way of expense. Could you please help?

Ans. Space only allows me to give you a basic list of what you will be responsible for:

The wedding ring. (If double rings the bride pays for yours). The marriage license. Flowers for the bride. Corsages for the mothers. Boutonnieres for self, best man and ushers. Gifts for bride, bridesmaids and ushers. Minister's fee. The entire cost of the honeymoon, transport etc. The bachelor's party. Your own wedding clothes etc. The home and furnishings.

Today, if possible, the bride will help with the expenses of making a home as very often she is earning good money in a good job; after all marriage is a partnership.

Ques. My husband is going on a business trip to Winnipeg and I have been invited to go with him. My 'in-laws' have kindly offered to take our children and our dog to stay with them as we shall be away for three days.

My problem is that since accepting this invitation my children have been asked to stay with other friends who are having a party, but in this case our dog will have to go to the kennels, as I could hardly expect the grandparents to mind the dog when the children are not

going as well, could I? What should I do?

Ans. Even though your children would rather go to their friends party, you have accepted your in-laws kind offer to mind the children and your dog. You ought to bear in mind the extra planning and catering in-

involved in having guests to visit. It would be rather unkind to cancel your 'in-laws' invitation once it has been accepted. May I suggest that you explain to your children that to do so, even though they might prefer going to a party, would be rather discourteous.

The 1976-77 executive of the Sturgeon General Hospital Auxiliary were all on hand at their annual Strawberry Tea which was held in the cafeteria of the hospital last Monday evening. The executive from left to right are: Lois Fabi, president; Joan Webber, recording secretary; Doreen Gare, vice-president; Myrna Derieu, vice president; Lil Erickson, 2nd vice president; Anna Bokenfohr, sec. treas., and Rita Graham, correspondent secretary.

The Entertainment Scene

Exorcist II will hardly raise hell

By Jim McIntyre
"Rip off!" shouted one disgruntled movie goer after sitting through a thoroughly unconvincing Exorcist II. The Heretic in Edmonton last Friday night.

The original Exorcist was frightening - an excursion into the world of genuine demonic possession - but this latest reincarnation of the Exorcist can hardly expect to set the world's

pulse racing this summer.

At the end of the Exorcist there was a real doubt that somehow the devil was not cast out into the exterior darkness as is the case with Exorcism of the Solemn Rite. Perhaps many of us felt that poor old Father Damien Karras was the unwilling receptacle of the loathsome entity which had taken over the body of Reagan played by Linda Blair.

And it is from this point that Exorcist II gets its thrust.

Four years down the road a delightfully cherubic Linda

Blair is somehow in the clutches of modern psychiatry that can induce demonic possession at the turn of a switch.

Because the psychiatrist is able to show that the memory of the exorcism still haunts Reagan, this seems to be an excuse for a phony extravaganza symbolized in a world wide search for some weird demon with a very funny name.

And that search is spearheaded by an "heretical" priest Father Lamont played by a puffing and panting Richard Burton, who one

feels is just too good for this kind of role.

About the only "good" part of the movie is the revisiting of the original room in Washington, scene of the first exorcism, which looks like it has been visited by the "Jabberwocky" once the demon is finally routed.

This movie is just a joke compared to the first Exorcist.

But it should be remembered that even the first movie, the Exorcist was not true to the facts. In real life, the victim of the possession was a boy, not a girl as in the

Blatty novel and the subsequent movie.

If the Devil really exists, he won't even do this new movie the courtesy of a satanic laugh up his sleeve.

By the way a voracious little insect is the star of this movie - the African locust.

But you'll have to see the movie for yourself if you want to figure out how locusts suddenly become synonymous with the Devil.

Exorcist II The Heretic is now showing at the Paramount Theatre on Jasper Avenue and also at the Parkland Two Drive In.

Citadel runs 1st summer program

The Citadel Complex is in full operation during its first summer period, providing exciting entertainment for Edmonton area audiences.

The Edmonton Actor's Workshop began its first production in the Rice Theatre June 14-25. "Not Exist," by Jean Paul Sartre, four grotesque characters, after death, find themselves in a locked room. Directed by Martin Fishman and designed by Gwen Keatley, the play features Heather Lea MacCallum, Rick Stojan, Myles Warren and Christine Will- es.

On June 18, the Lecky School of Dancing will give two performances in the Shochor Theatre, at 2 and 3 p.m. Also in the Shochor Theatre, from July 18-30, will be this year's Klondike Melodrama staged by the

Walterdale Theatre Associates. This year's production is a remarkable aggregation of illustrious actors in the spectacular dime novel melodrama "Deadwood Dick," directed by Jack Wilson.

August 5-6, The National Odori Concert will be presented in the Shochor Theatre by the Japanese community as part of the Japanese Canadian Centennial '77. Les Ateliers du Theatre Sans Nom or Workshop Theatre Without a Name, will present a short play and poetry reading August 10, 13, 16 and 18.

Tickets for all these productions and Citadel 77/78 season subscriptions are available at the Citadel Box Office, 425-1820.

Kurelek exhibit

Featured in the Foyer Gallery of the Edmonton Public Library in July will be the drawings and paintings of Canadian Artist William Kurelek.

Albertan born, Kurelek studied at the University of Manitoba, intending to study art in Europe. After he spent some time in England, he decided to learn by "simply painting," and so is largely self-taught. He is widely known to many in this country for capturing the people and landscape of Canada. He portrays the joy and pain of his subjects with vibrant colors and simplicity of form.

The work represented in this exhibition is from a private collection and is taken from the book "Who Has Seen The Wind?" by W. O. Mitchell, published by Macmillan of Canada.

The show will open on July 5 and will continue until the end of the month.

STAN LINDSAY

Mr. Tim Eby, manager of Buxton Real Estate is pleased to announce the appointment of MR. STAN LINDSAY to his staff of realtors in St. Albert.

Mr. Lindsay has been involved in the St. Albert real estate market for the past three years and has earned himself recognition as an honest, hard working, successful realtor.

Stan invites anyone who wishes to discuss real estate with a professional to give him a call at 459-4461.

Best "laid" plans

We've probably all fantasized the searing excitement of a brief love affair but when the opportunity presents itself could we pull it off in the same manner of our dreams?

Herschel Bernardi, as Barney Cashman in 'The Last of the Red Hot Lovers' brings

our fantasies to earth with a humorous portrayal of the inept and uncertain manoeuvres displayed by a comfortably married restaurant owner who at 47 suddenly decides to join the sexual revolution.

Playwright, Neil Simon has skilfully used his play to

accentuate the basically decent nature of the average man. The point comes across in three very funny acts, each one looking at infidelity from a different perspective.

Roma Hearn as Elaine Navazio in Act One provides us with an excellent portrayal of a housewife, calloused by innumerable affairs, whose overly casual attitude is too much for Barney to handle.

His next attempt at extra-marital activity is also foiled when he finds it impossible to relate to a young, spinny Bobbi Michele played by Camilla Carr.

Taking the experience gained from these first two tries, Barney is confident his next effort with family friend Jeanette Fisher (Sheila Junan-Moore) will succeed, only to discover he has set himself up for a lesson on moral living.

Contrary to the Journal review, I found all three acts of 'The Last of the Red Hot Lovers' to be extremely entertaining and professionally played.

The play, preceded by the Mayfield Inn's excellent and ample Seafood Buffet, makes for thoroughly enjoyable evening which shouldn't be missed.

Barney can't seem to get anything right including this inept attempt at 'sweeping Elaine Navazio off her feet.'

LOCAL
AUTHORITIES BOARD

IN THE MATTER OF "The Municipal Government Act":

AND IN THE MATTER OF "The Administrative Procedures Act":

AND IN THE MATTER OF a petition by the majority of the registered owners of certain territory immediately adjoining the City of St. Albert and lying in the Municipal District of Sturgeon No. 90, requesting annexation of such territory to the City of St. Albert.

NOTICE OF RESUMPTION OF BOARD ANNEXATION HEARING commenced on February 8, 1977.

TAKE NOTICE that a petition has been presented to the Local Authorities Board by the majority of the registered owners of certain territory immediately adjoining the City of St. Albert, requesting annexation to the said City of the following described territory now lying within the Municipal District of Sturgeon No. 90:

All those portions of River Lots 18, 18A, 19, 19A, 20, 21, 22 and 22A not presently within the City of St. Albert.

Those lands contained in plans of Subdivision 1798 A.N., 155 T.R., 3589 C.L. and 392 E.O. and not presently within the City of St. Albert.

Fractional North East Quarter of Section Six (6), Township Fifty-Four (54), Range Twenty-Five (25), West of the Fourth Meridian.

The East Half of Section Seven (7), Township Fifty-Four (54), Range Twenty-Five (25), West of the Fourth Meridian.

The North West Quarter of Section Eight (8), Township Fifty-Four (54), Range Twenty-Five (25), West of the Fourth Meridian.

All that portion of Road Plan 2288 E.U. which lies south of the production north east across the said road plan of the north boundary of Parcel C Plan 392 E.O. and not presently within the City of St. Albert.

All that portion of the Sturgeon River which lies north east of Big Lake and south west of the production south east across the said Sturgeon River of the north east limit of River Lot 22.

All government road allowances, government road allowance intersections and railways adjoining and intervening the above described lands.

TAKE FURTHER NOTICE that the Board has fixed Wednesday, the Twenty-Ninth (29th) day of June, 1977, at the hour of 10:00 A.M. in the Club Mocombo, 200 St. Albert Road, St. Albert, Alberta, as the time and place for resuming the hearing of the said petition.

It may be that you are a party whose rights will be varied or affected by the Board exercising its statutory authority in granting or refusing the annexation application and you are hereby notified that if you wish to make any representation in this regard you may file such written submission with the Board, or appear at the aforementioned public hearing.

In the event that no valid written representation is filed or spoken to as noted the Board will proceed to deal with the petition on the basis of evidence presented at the public hearing.

Dated at Edmonton, in the Province of Alberta, this 9th day of May, 1977.

Photo exhibit at Provincial Museum

An exhibit of 100 historical and contemporary photo-

graphs by Canadian professional photographers has been brought to Edmonton by Alberta Culture.

The National Print Show can be found in Feature Gallery 2 on the second floor of the Provincial Museum, 12845 - 102 Avenue.

The contemporary photos are the 80 top prize winners in the 1976 Canadian Professional Photographers of Canada national competition. Fifteen Albertans are represented from Edmonton, Calgary, Lethbridge and Lacombe.

The historical prints trace the development of photographic portrait styles from 1840 to 1935. The early daguerrotype portraits in the show are remarkable in their detail and uncluttered charm. By the 1860s, everyone was having their portraits taken. This era stands out in the collection as a series of pictures where often the subject is secondary to a variety of unusual props and backgrounds. One popular Montreal photographer specialized in re-creating a wide range of seasonal effects in his studio.

By the 1900s, electric

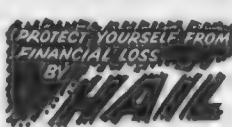

lighting, new types of photographic paper, and the emergence of a movement to gain recognition of photography as an art, laid the foundation for photography today.

The National Print Show is on at the Museum until July 10.

Cathy Gale of the 12th St. Albert Brownies was one of three Alberta Brownies who had their posters sent to Christie's in Toronto for a possible chance for the cookie poster in 1978.

Charlene Muir of the 3rd St. Albert Girl Guides received her All Round Cord on June 14 at their annual Mother-Daughter banquet. The award is the second highest in Guiding. The Canada Cord is the top honour.

Evangelistic team is working in St. Albert

A man who changed careers in his forties from a director of public health for the city of Munroe, Louisiana, to a Baptist church pastor, and who has also been a professional rodeo clown for 23 years, is a member of an evangelist team working this week in St. Albert. Rev. Bob Witt is a student pastor at Beulah Baptist Church in Farmerville, Louisiana, while studying theology at the Mid-America Baptist Theological Seminary in Memphis, Tennessee.

"Older men are going into religious work," commented Mr. Witt, "in changing

times people are coming to more realization of this need. After so much permissiveness - as much in America as anywhere, there is a need to turn back to God, and I have seen that need, not only in my own life, but in the lives of others."

The Rev. Bill Whitener who graduated this year with his degree in theology from the same seminary, spent eight years in the American Airforce before he felt the call to religious work and enrolled in the Southwest Baptist College. He earned his B.A. there and went on to the seminary, and is presently pastor at Concord,

Arkansas.

Rev. Witt's wife, Susie, is also a member of the team and serves as pianist. She works as church secretary and the couple have two daughters.

Rev. Len Koster of Faith Baptist Church in Saskatoon joined the team on Tuesday evening. He was born in Alberta, attending the University of Alberta before taking his training at Golden Gate Seminary in San Francisco. The special guest evangelist will be the featured speaker each evening. Rev. Koster is a field worker through his church, which operates in conjunction with a theological college.

Rev. Billy Heath, pastor of First Baptist Church in St. Albert invites all interested residents to join in the special evangelistic meetings which continue tonight, Thursday, Friday, Saturday and Sunday evenings at Vincent J. Maloney School, 65 Sir Winston Churchill Avenue. Services run from 7:30 to about 8:40 each evening under the theme "God's Great Salvation." Special singing groups from the metropolitan area are brought in for each service and a Chinese choir from Edmonton will make their second appearance tonight.

"We're not saying we're better than others," said Rev. Whitener, "but God has a plan - a purpose for every individual, if the individual will allow that purpose to be worked out in

his life. This is the only way people can find real peace and happiness. I thought I had a good life before, but this work is the greatest job - showing people what God has for them. It can change a whole outlook on life."

Rev. Whitener and Rev. Witt both felt that the young people were beginning to

turn to religion more. Youth have tried everything in our time said Mr. Whitener, but have not found fulfillment. Mr. Witt felt that young adults coming out of the hippie movement are really searching for a more meaningful life. "I see this hippie thing dying out," he added, "in fact it's almost dead."

Members of the visiting evangelistic team who are working this week with Pastor Billy Heath of the First Baptist Church in St. Albert. Rev. Bob Witt is at left with his wife Susie, Rev. Bill Whitener and Rev. Heath. Special guest evangelist, Len Koster, featured speaker from Saskatoon, was due to arrive later Tuesday evening.

Parsonally Speaking

Pastor B. L. Heath
First Baptist Church

"O Lord, revive thy work
... Hab. 3:2"

The definition of revive is to become or make active or flourishing again. Wouldn't it be a great day if such a renewal took place? A day of moderation, morality and honor would be a way of life. A day when harmful drugs, literature and profane speech would be put aside. People could walk the streets in major cities at night in safety. Love would be love, not lust.

A good definition is: "other person centeredness." A renewal would cleanse dirty hands, minds and hearts. Men dead in their trespasses would become alive forever more. Every

child could have parents that were parents in the fullest meaning of the word.

The Bible writes James says, "Ye adulterers and adulteresses know ye not that the friendship of the world is enmity with God? Whosoever therefore will be a friend of the world is the enemy of God Humble yourselves in the sight of the Lord, and He shall lift you up." A revised nation or world may never come. But what a fine experience many individuals and churches have experienced. One man said, "when I walked in my own strength and wisdom I treated others with contempt, now I just let them be wrong." The Psalmist says, "Wilt thou not revive us again: that they people may rejoice in thee."

Walk, jog, run,
skate, ski, swim,
paddle, pedal ...
don't let life
catch you with
your head down.

Fitness is fun.
Try some.

WELCOME...

Records topple at V.G. track meet

Thanks to some fine weather, many parent volunteers and school full of enthusiastic students, Vital Grandin's track and field day was a fantastic success.

While the Grade 1, 2 and 3's were enjoying leapfrog races, obstacle courses, dress-up relays and much more, the grade 4, 5 and 6's competed in different age divisions in events such as 100 meter race, 400 meter, 4 - 100 relays, shot put, ball throw, high jump, long jump.

The Blackfoot House finished first by 10 points over the Sioux house with the Commanches and Apaches finishing third and fourth.

Many individual school records were broken with Angela Parth, a 10 year old, heading the list. Angela broke the high jump record of 3' 7" with a 3' 11" leap as well as knocking 7.2 seconds off the 400 m. record.

Tim Holmes, a 12 year old,

whose size and speed may have the Edmonton Eskimos looking at him in a couple of years, destroyed the shot put record with a heave of 8.9 m.

The 400 metre record was broken by 11 year old Mary Joyal, in a time of 1:18.1 seconds, and by Kim Blackburn, 12 years old, in a time of 1:17.0 seconds.

In the long jump, the record was broken by 11 year old Michael Craig, who jumped a distance of 13' 8"

or 4.17 meters; by Robert Dollovoet, nine years old, who jumped 12.3 or 3.73 metres and by Lauren Donnelly, aged nine, who jumped 11' 11" or 3.65 metres.

In the high jump, 11 year old Brenda Wear broke the record with her jump of 4' 4" or 1.32 metres.

The 100 metre record was broken by Darren Blower, Quentin Sieben, Lauren Donnelly, Andrea Chaisson,

Danny Durand, Angela Parth, Darren Boutette and Shelley Blackburn.

In the relays, the new record for nine year old boys is now 1:11.6 seconds, for 10 year old boys, 1:06.4 seconds; for 10 year old girls, 1:06.6 seconds; 11 year old girls, 1:06.7 seconds; 12 year old boys, 1:05.3 seconds, 12 year old girls, 1:04.2 seconds.

Saints split with Red Sox

St. Albert Willowbrook Saints senior baseball team split a home and home series with Fort Saskatchewan Red Sox last week in Sunburst League play.

Tuesday night in St. Albert, the Red Sox made their first appearance of the season here and scored a 14-8 victory.

Red Sox jumped on Saints starter Rich Perrault for three singles and a pair of walks, as they took a 5-0 first inning lead.

Saints coach Ed Howorko replaced Perrault with Doug Switzer who went 5 1/3 innings and allowed six more runs and took the loss.

K. Prochinsky led the Red Sox 15-hit attack with three base hits including a two run homerun in the ninth inning.

Saints had 11 hits with Larry Brandenburg getting three singles while Larry Murray, Neil Conner and Darrell Snider had triples.

Friday night at the Fort, St. Albert turned the tables on the Red Sox and came up with four ninth inning runs to win 13-10.

Switzer went all the way on the mound for the win, and also had an important two-run double in the ninth inning to put St. Albert ahead 11-9.

Larry Murray was three for three at the plate for the Saints with a pair of singles and a two-run homer in the seventh.

Saints have now won three

of eight starts and will be looking for a win tonight when they host the league

leading Edmonton Cardinals. Game time is 7 p.m. at Mission diamond.

St. Albert to host swim meet

The Grosvenor Pool will be a scene of excited activity next Sunday, June 26 when the Sailfish Swim Club hosts the annual St. Albert Invitational Swim Meet.

About 250 swimmers, ages six to 18, from Leduc, Spruce

Grove, Edson, Drayton Valley, and St. Albert will compete in 68 events, for a team trophy, and for trophies for best individual boy and girl swimmers.

The meet culminates some 200 hours of planning, and

will occupy 25 adults for all or part of the day. With activities commencing at 9 a.m. and ending about 4 p.m., the public is invited to watch any or all of the meet.

A concession stand will be in operation all day, offering coffee and donuts, lemonade, pop, candy, chips, and at lunch time, hamburgers. Following the meet, the Sailfish executive will serve a light supper to all competitors. They greatly appreciate the support of local merchants in this regard. Many thanks to the Grandin Bakery and Safeway, and to the Old Dutch dealer and Scott National, for their contributions.

St. Albert swimmers will also be participating in a dual meet with Leduc in that town on Saturday, June 25.

Midget playoffs in Busby this weekend

The Norwest Midget baseball league will hold playoffs this Saturday in Busby with the winning team going on to represent this zone in the provincial playoffs.

Final playoff positions have not been confirmed but it is expected that first place

Busby will play □ Spruce Grove (fourth) while second place St. Albert Willowbrook Saints will play third place Stony Plain.

The first game is expected to go at 12 noon with the second at 3 p.m.

Builders & Raiders play 12 innings to 3-3 draw

L.B.H. Builders and Garden Valley Raiders played to an exciting 3-3 draw Monday night in St. Albert in a game that went 12 innings.

Both teams were tied 1-1 after four innings and it appeared the Builders would win in regulation time after Paul Mitchell hit a two-run homer in the fifth to put the Builders ahead 3-1.

Raiders fought back with a run in the sixth to cut the lead to one run.

L.B.H. coach Roger Lemieux changed pitchers in the seventh with Gene Lytwyn coming in to relieve Fred Bader.

Lytwyn struck out the first Raider but gave up a single to Ken Riese who then came home on a single by Doug Zutz to tie the game and send it into overtime.

L.B.H. threatened in the 10th as they loaded the bases with none away, but three

pop ups in the infield ended the inning.

PLAYBOYS SWAMP ST. ALBERT

In other Sturgeon Valley Fastball action, Stony Plain Playboys clobbered the St. Albert Juniors 19-0. It was by far the worst beating the Juniors have had in 13 games.

Last Wednesday the Juniors trailed the St. Albert A's 9-2 after five innings but came up with a big seven runs in the sixth and added two more in the seventh to win 12-11. Rick Wright had a home run for the A's while Tony Currie had one for the Juniors.

Alexander Braves pulled an upset as they defeated second place Devon Stingers 9-7.

Spruce Grove KC defeated Spruce Grove Panthers 6-2. Calahoo Chiefs scored a 9-4 win over Total Sound and St. Albert Nu West A's shaded Stony Plain Kings 6-5.

Bryce Mann who recently won the Mark Ten IV super stock race at Westwind Oval recently wasn't as fortunate last Sunday for the Imperial Lumber 6000 late model Nascar race. Bryce Mann of Saskatoon who had the comfortable lead at the start of the 27 lap attempted to overtake a slower car just before the first turn when his car slid sideways into a pile of trees and sand. Bryce who was taken to the hospital was reported to have several broken ribs and other undetermined injuries as of Tuesday morning. After a re-start of the race veteran Lloyd Eby took the checkered flag to take home part of the \$6,000 prize money with March Normyluk of St. Albert coming in second. Next race is the GWG Fox Hunt, featuring jet dragsters and ladies will be admitted free.

West all stars win over east 3 - 0

The peewee soccer division held its all star game Thursday evening and despite the threatening weather it was an enthusiastic effort by all.

The west team, coached by David, had Steven Ewald, Darcy Lawrence, Ken Kopp, Glen Seyler, Don Bremault, Garry Smith, Paul Brown,

Tony Hugins, Wayne Mansell, Gordon Bull, Scott Heine and Andre Delaney, as the top players from the west side.

They were opposed by the east team, coached by Dieter Kunemouth who had Uernan Duchscher, Leo Belley, Scott Neil, Jonathan Burke, Andre Kenny, Robert Ohatinsky, Mike Van Buren, Chuck

Stanton, Jason Taylor, Todd Ewen, Allister Bartschi, Steven Newlands as the best from the east side.

The west all stars were able to keep the east attack off balance, and went on to a 3-0 win. It was enjoyable game and it gave the boys a chance to play together and improve their soccer skills.

With the peewee spring

season drawing to a close, the Navajos are still leading the pack, but the Apache and Commanches are putting the pressure on as they have a chance of overtaking the Navajos.

Hopefully more parents will come out and see the last few games and see how much the boys have improved.

(AT SIR WINSTON CHURCHILL AVE.)

The BACM Panthers Bantam A girls fastball team captured the trophy symbolic of supremacy in the West Sturgeon League in a playoff tournament this past weekend. The Panthers finished their season undefeated and now advance to the Zone playoffs hosted by St. Albert July 2 and 3. A victory in the Zones would send the team to provincials July 16 and 17. St. Albert will also be hosting the Midget A Zones. The Panthers left to right, front row - Chris Ahronson, Anne-Marie Gardner, Sherry Norum, Brenda Burgess, Mona Welch, Lorna Cockwill, Diane Garrett. Back row - Assistant Coach Earl Wesa, Andrea Riddell, Cindy Welsimantel, Tracy Campbell, Janet Neumann, Connie Harman, Cathy Lavoy, Amy Vettergreen, Coach Pat Kaye and Assistant Coach Bob Kaye.

Bantam soccer near halfway point

The Rockets regained first place in the St. Albert Bantam Soccer League with a 2-1 win over the Cannons last Wednesday evening.

The close game was likely the best played so far this season.

In another tight game played Monday of last week the Rockets edged the Bullets 2-1.

The Arrows seemed to have lost the winning form of two weeks ago dropping both of last week's games. On Monday they lost 7-2 to the second place Cannons and then were beaten 4-2 by the Bullets Wednesday.

Willie Conte of the Cannons earned Player of the Week for his strong performance in both Cannon games last week.

Referees David White, Dave Kennedy and Jim Steven have been doing an excellent job calling the games this season and the League's organizers would like to thank them for their efforts.

Saints win Villeneuve tournament

St. Albert Willowbrook Saints midget baseball team won the annual Villeneuve midget baseball tournament Sunday.

Saints blasted Busby 15-3 in the first game with Colin Tooth going all the way for the win. Marty Scheibelhofer led the 12-hit Saints attack with three hits including a double. Byron Bailey also had a pair of hits, one of which was a triple.

Busby led 2-0 in the first inning but could not contain the Saints batters as they led 9-3 after five innings and put it out of reach in the sixth with six more runs.

Tooth allowed only four

Busby hits while striking out six.

In the final game of the three-team tournament, Saints Tim Shipanoff struck out 10 Villeneuve batters on way to a 8-3 win.

Ken Young and Brent Galbraith led the Saints hitting with a pair each. The win was worth \$60 for St. Albert.

In Norwest Midget League play Monday night in St. Albert the Saints blanked Fort Saskatchewan 12-0 on Ken Young's one hitter. Young was near perfect on the mound as he struck out 13 and did not allow a Fort hit until the fifth inning.

Guy Derelu had two hits for the Saints including a three-run triple in the second inning.

Young also helped out with a double and a single.

Lacrosse Bantams win again

The St. Albert Roger's Esso bantams won their fifth straight game on Wednesday, June 15 as they swept South Edmonton by an 11 to 3 count. The win kept St. Albert in solid second place with a 7 to 2 record; only two points behind West Edmonton.

St. Albert scored twice in

the first minute of the game, and after that the locals never gave South Edmonton a chance. A minute later St. Albert scored again, and then collected goals steadily to end the first period with a total of seven. The Edmonton team managed one.

St. Albert's offence slowed down somewhat in the next

20 minutes, and although they controlled the play, the home team managed only three goals. This was adequate, however, as the visitors could only muster two tallies. These resulted from defensive lapses by the locals.

The third period was but a formality, and St. Albert rounded out their scoring with one more goal. This was not the story of the period, however as penalties abounded. South Edmonton took eight penalties for a three-period total of 13, while St. Albert took four for a game total of 11. Though there were many penalties by both teams throughout the game, St. Albert showed that they were the superior of the two. Scoring for St. Albert was done by Wayne Orlick, Ashley Gusikoski, Todd All-

inott and Garret Doll with two each. Singles were scored by Ted Gusikoski, Brad Anderson and Greg Miller. Chris Lane in goal was, as usual, very good.

SHERWOOD PARK FALLS TO LOCALS

Two days earlier, June 13, St. Albert coasted to a 9-6 win over the visiting Sherwood Park Foresters. St. Albert did not play exceptionally well in the first and third periods of the game, but a strong second period gave St. Albert the deciding edge. Goals for St. Albert were scored by Ashley Gusikoski (4), Ron Malo (2) and singles by John Russell, Don White and Greg Miller.

St. Albert tied the game and took a lead that they never lost after Sherwood

Park scored early in the first period. It was 3-1 after 20 minutes, 8-3 after 40 and of course 9-6 at the game's end.

St. Albert's next home game is in the arena at 8 o'clock tonight. The game will be a tough one as the locals play the first place West Edmonton Canadians, who have only lost one game this year, and that one was to St. Albert.

.. ..

KLONDIKE LACROSSE TOURNAMENT

On the three days of Thursday, Friday and Saturday, June 30 to July 2, the Klondike Invitational Ban-

tam Lacrosse Tourney will be held in the St. Albert and Coronation arenas. Sixteen bantam teams will be represented from Saskatchewan, Alberta and British Columbia. St. Albert will be entered along with West Edmonton who this year should both be contenders. This is an important lacrosse event. The winner of the triple-knockout affair will be crowned the Western Canadian Bantam "B" champion. This tournament is the premiere event in western Canadian bantam lacrosse. You would do yourself a favor to drop in and see some excellent lacrosse.

Baseball playoffs enter final week

As Told by Uncle Rick
Well, baseball fans ... if the weather holds out and current playoff activity is allowed to continue to the bitter end ... we are about to see the most completely successful baseball season in the history of this diamond sport in St. Albert. That's saying a lot as there have been other "good years" ... but what else could you ask for? We have had our parade ... umpire and coaches clinics ... controversial TV show ... strange baseball writeups ... a dance next Friday ... bicycle raffle ... baseball tournaments ... some rhubarbs ... playoffs ... and a heck of a lot of fun with more to come as soon as playoff winners, etc. are determined ... Oh, we've got a few more things to do but 1977's baseball season has been great! As of midnight, Monday, June 20, here's the latest:

MOSQUITO LEAGUE

DIVISION A	W L P
Safeway Seals	3 0 6
Sturgeon Meats	2 1 4
Nu West Homers	1 2 2
Belmont Bombers	0 3 0

There's nothing really new in the world of Mosquito Division A baseball as far as surprises, upsets, and the like are concerned.

Ben Sedgewick's Safeway Seals slithered past the Belmont Bombers 22-13 rather handily. Coach Jack Heidt's Nu West Homers were no easy "meat" for the Sturgeon Meat Merchants ... losing only 5-4. Both of these division A battles were played on last week's rainless Tuesday. Thursday's games went down the drain on account of wet diamonds.

T-ball season over, playoffs underway

The T-Ball season has now concluded with the exception of playoffs, which are well underway. The T-ball division consisted of eight teams involving close to 100 boys, ages six to eight.

All teams have advanced to a double knockout playoff schedule which is due to be completed June 27. At that time, trophies will be awarded to the "A" and "B"

DIVISION B

	W	L	P
Melton's M-M's	3	0	6
LP Red Rooster	2	2	4
Gazette Cards	2	2	4
Buxton Gallery	2	2	4
Springer Angels	1	3	2
Graham Giants	1	2	2

The Melton Mighty-Mites don't win by many runs, but who cares as long as they keep winning, eh?

Coch Lorne Ross's little "ys" wrapped a 14-13 around Neil Goosen's tough-luck Springer Angels last Wednesday as the Graham Giants rose from the bottom of the pile in Mosquito B playdowns to defeat the Lacombe Park Red Roosters by the same score, 14-13. Buxton Gallery rebounded from their close loss to Melton's last week to distribute the Gazette Cards by a whopping 25-7 score.

Unfortunately, for many reasons, Monday's schedule was cancelled.

BEAVER PLAYOFFS

The Beaver Division, house-league variety, is practically a "thing of the past." Only two teams remain, the Sturgeon Valley Sod-Giants and the Crown Well Drilling Roughnecks.

And, the hand-writing is on the wall for crew foreman Bert LaBuick and his never-say-die gang of "drillers" tonight.

For the surprising Roughnecks it's been quite a season. Last Tuesday, Crown found the going tough against Neil's Trailer King Beavers as the two squads struggled to make it into the round of the "four best." According to Coach LaBuick, the game was tied up 4-4 as the Roughnecks came to bat

in the middle of the seventh inning. First batter, Rick Pelletier laid down a perfect bunt. Mitch LaBuick sacrificed him to second. Jamie Wells became the hero of the conflict as he banged a sharp drive to left field scoring Pelletier with the winning run.

Wednesday's playoff affairs resulted in no contests as, at least, a pair of baseball nines ran out of pitching. Crown Well Drilling Roughnecks struck a 30-9 gusher on Nu West's Angels property. The undefeated and untied Sturgeon Valley Sod-Giants had little difficulty in laying a 16-2 carpet of green at the Grandin Shopping Centre Mets to advance to the final round of Beaver division action.

Under troubled skies, which finally gave way in the last few moments of play, the Sod-Giants, headmastered by Mance Torgrimson, won the first of the "best of three" from the Roughnecks 17-12 on Nickerson field Monday. Daryl Carlson received credit for the win striking out nine Roughnecks. Heavy hitters for the Giants were Don Torgrimson with two triples, pitcher Carlson with a double and a triple, and Ron Torgrimson (Don's twin brother) with a round-tripper to right field. The Well-drillers started slow but came back with eight tallies in the last two innings to make a game of it.

Next game in the series goes tonight at 6:30 - again at Nickerson diamond.

BANTAM DIVISION FINAL STANDINGS

	W	L	T	P
Bermont Broncs	8	3	1	17
Trailer Kings	7	5	0	14
Link Blue Jays	6	5	2	14
Penn Blasters	2	10	1	5

With Thursday's rainout, and with little time remaining, it was decided to schedule Bantam division playoffs as originally planned, for this week.

Yesterday's get-togethers (weather permitting) had the league leading Bermont Broncs fighting it out with the Link Hardware Blue Jays and Neil's Trailer Kings versus the unpredictable Pennington Blasters.

Last Tuesday's wrapup day of regular season games found the Blasters and the Blue Jays deadlocked 14-14 at the end of seven innings of play. The Broncs trotted by the Trailer Kings 16-14 on Flagstone Field. Twenty-eight hits of various sizes were featured in this loosely played ball game.

Final playoff games, beginning Thursday, will be the "best of three."

ON CABLE FIVE TONIGHT

This is "mystery night" ... right now, it could be anything ... but - take it from us - it should be interesting. There should be some play-by-play action of tonight's Beaver playdowns if the weather's right tonight. We might even have a complete baseball team as our guests - try it - at 9 o'clock tonight on Cable Five - for the Baseball Sports Scene ... gulp!

NOW HEAR THIS! [COACHES ONLY .. PLEASE]

Equipment Manager Bert LaBuick requests all coaches in the Beaver division - who are no longer playing baseball to get their team uniforms into him as soon as possible. The players should have each uniform in spic 'n span condition - all pieces together (including socks) on a hanger. Bert would appreciate receiving the uniforms at his residence - 105 Morgan - or phone him and he'll make some kind of arrangements for pickup. Bert's phone jingles at 458-1168.

WINNERS OF DRAW ANNOUNCED

Last Sunday night ... a bicycle raffle was consummated. It all happened in the basement rooms of one, Henry Matoga, SAMBA treasurer, and idea-man for the very successful raffle. Anyway, with all division heads present along with President Bob Burns in attendance, four 10-speed bikes were given away with a wide representation of winners. For example, the lucky winner for two SHC Sekine 10-speeds was Steve Fix of Stettler. His ticket was drawn by President Burns. Mrs. Elaine Pelletier of St. Albert won the SIU Sekine 10-speed when Bryce Matoga drew her ticket. The third place winner, drawn by Todd Matoga, was Mr. Miles Maskoske of Spruce Grove.

An automatic pitching machine has been ordered and should be in operation very, very shortly.

ELSEWHERE ...

Here are a few dates to remember - Friday, June 24 - the day after tomorrow ...

rain or shine ... the first annual SAMBA dance at the St. Albert Community Hall - prizes, refreshments, from 9 to 1 a.m. For last minute info ... dial Darlene Ross 458-6403 - Hene Ferguson, 458-5108 or Bev Matoga 458-2298 ... it should be a "dozer."

Sunday, June 26 a strong Camrose bantam nine will be here in St. Albert for the first time to do battle against Neil's travelling Trailer Kings ... probably on diamond

#18, Lorne Akins ... maybe at 2 p.m. and definitely a doubleheader.

July 4 - opening day of Orv Franchuk's baseball and fastball camp ... advance registrations available in limited supply at R.M.C. Sports Centre in Grandin Shopping Centre or St. Albert Sportshop in downtown St. Albert.

No matter how you slice it ... "Diamonds are a boy's best friend" ... especially during playoff time.

Culture & Rec. News Report

From St. Albert Community Services, Cultural and Recreation

SUMMER PROGRAMS

Registrations are still being accepted for the summer programs offered in our summer brochure that was delivered to all homes in St. Albert during the last week of May.

The July 11 - 15 daycamp is filled but the remaining sessions being held weekly from July 18 through to August 15 still have some vacancies:

The day camps are for children seven - 12 years of age and offer a week long outdoor experience of nature study, crafts, cookouts and campfire fun. The children are picked up daily at a pick-up point in St. Albert

Gordon Akins heads minor football

The first meeting of the St. Albert Minor Football Association this year was held June 16 and the following were elected to office: Gordon Akins, president; Jack Tessier, secretary; Rick Suggitt, treasurer. Fern Proulx and Gib Borle were also present and will assist the league operation.

A number of changes in the previous method of operating the league were discussed. Coaches and assistant coaches are still required in most areas of the city. Each team will also need a manager, which will involve handling equipment, and finances. There will be another meeting on June 27, 7 p.m. at 52 Fenwick Cres. Should you wish further information or want to volunteer your help, please call Gordon Akins at 458-2664 or Kerry McKenzie at 459-8565. Further information concerning registration, practices, and schedules will be published after the June 27 meeting.

The association is hoping for its most successful year of operation and the assistance of interested residents will make this possible.

JUNE WILLIAMS

Mr. Tim Eby, manager of Burton Real Estate is proud to announce that JUNE WILLIAMS has achieved the highest sales volume for the month of May.

Let June's experience work for you. Call her at 459-4461 for any of your real estate needs.

BUXTON

INSTALLED

\$2595.00

WE ARE OPEN:

8 A.M. TO 6 P.M. MONDAY TO FRIDAY
9 A.M. TO 5 P.M. - SATURDAYS
1 P.M. TO 5 P.M. - SUNDAYS

will be held throughout the summer. They are July 4 - 14, July 25 to August 5, and August 15 - 26 inclusive.

Classes are offered three days a week for a two week period for a total of six lessons. The fee for children is \$6 and adults, \$12.00.

Lessons for children 11 - 18 are offered Monday, Wednesday and Friday.

Adult lessons are offered during the day and evening. For session times and locations, registration forms are available at our office, 20 Muir Drive, or at the cashier's office at City Hall where registration forms must be submitted.

PLAYGROUND PROGRAMMING SUPPLIES

Do you have an accumulation of ice cream buckets, fabric softener and bleach containers, old socks and newspapers? These are some of the materials we require for our playground program starting July 7. If you wish to donate them to our cause, you may drop them down to our office at 20 Muir Drive (the old RCMP location). We would greatly appreciate it.

HOME FILM DEVELOPMENT WORKSHOP

Learn how to properly

develop black and white film at home without the aid of a darkroom. The department is offering a workshop July 19, Tuesday, 7:30 - 10:30 p.m. at the Grandin Clubhouse.

The participants will have to bring the following materials to the workshop: a stainless steel one or two reel development tank; a large black bag either 16" x 20" or 11" x 14"; 35mm development reels (one or two depending on tank size) or a 120 reel in the case of the photographer owning a 2 1/4 x 2 1/4 format camera.

The fee for the workshop is

\$2 and you may register by writing your name, address, phone number and program desired on a slip of paper and sending it to The City of St. Albert, Sir Winston Churchill Avenue and Grandin Road, St. Albert, Alberta T8N 0G2, along with the fee.

FOUND

It has been reported to the Department that a pair of child's glasses were found at the rodeo grounds on Sunday. These may be reclaimed by calling Mrs. MacKenzie at 458-1043.

ALBERTA GOVERNMENT SERVICES INVITATION TO TENDER

For the cutting and removal of grass for haying purposes on land situated on a portion of River Lot 56 and Privy Council 1970 - 1828, St. Albert. Approximate area being 100 acres, all hay is to be removed by August 31, 1977. For specific details of property to be tendered for haying purposes contact T. O. Fjalestad, telephone 427-2870.

Tenders are to be submitted by sealed envelope to Alberta Government Services, 10107 - 134 Avenue, Edmonton, by June 30, 1977

Mr. Adair said antelope hunters will have an opportunity to take female antelope this year. Only a limited number of female permits will be issued on a Wildlife Management Unit basis.

The minister indicated the antelope population has increased over the last few years as a result of mild winter conditions. "The antelope population is now at a level where a female harvest is advisable," he said. "We are concerned with the possibility of over-browsing in the northern portions of the antelope range making control of herd size desirable."

A limited female mule deer harvest will also be permitted this year in the south and south-western portions of the province. This is necessary since mild winter conditions over the last three years and an extended period of closed female seasons has caused the mule deer populations in this part of the province to reach high numbers, Mr. Adair said.

Similar to the female antelope season, a limited number of female mule deer licenses will be issued on a Wildlife Management Unit basis.

Mule deer seasons from Calgary north will be similar to those in 1976.

Both female mule deer and female antelope licences will be issued on a random draw basis. Mr. Adair said the licence limitation would result on the average of one female mule deer licence per 24 sq. miles for the units where female licence will be issued.

Female moose seasons have been reduced in the area north of Edson and northwest of Whitecourt in response to increased road access to those areas.

Several minor changes have been incorporated into the regulations and the mini-

ster advised sportsmen to check the regulations brochure carefully.

The use of any motor vehicle to chase, molest or injure wildlife is against the law, Mr. Adair pointed out. Previous legislation applied only to the use of all-terrain vehicles.

Some minor adjustments have been adopted in relation to areas where bird hunters will be required to

wear red or blaze orange colored head-gear and clothing. The new requirement applies to Wildlife Management Units F358, M511 and M526.

The areas requiring non-resident alien hunters to be accompanied by a licensed guide have also expanded to include the mountain and foothills Wildlife Management Units S410, F358 and M52.

Generally, seasons will remain similar to previous years based on the fact that most game populations have shown high survival with the recent mild winters. No significant changes have been made to game bird hunting seasons.

Brochures detailing the seasons and regulations are expected to be available in mid-July.

Driving one of these rigs takes skill and a great deal of nerve as they head into the turn rim against rim.

1977 Labatt Cup golf championship

A deadlock for the all time Canadian golf champion among active professionals may be broken at the Labatt Cup, Canadian Professional Golfers' Association tournament in Ottawa this year.

Both Al Balding and George Knudson, each four time Canadian champs, have entered in the \$50,000 match to be played at the Hylands Golf Club, July 7-10. Balding, of the National Club, Woodbridge, Ontario, won the mantle in 1955 - '56 - '63 and '70. Knudson, of Oakdale Golf and Country Club, Toronto, Ontario, was national champion in 1964 - '67, '68 and last year in Winnipeg.

Stan Leonard who was the premier Canadian golfer for many years beginning in the 1940's, won an unprecedented seven national championships.

The road to the Labatt Cup won't be strictly a two-man show, however, with a host of former winners entered in the 1977 C.P.G.A. showpiece. Two-time winners Wilf Homenuik of Highlands in London, Ontario, (1965 - '71); long hitting Bob Panasiuk, of Hydeaway G.C. in Tecumseh, Ontario (1972 - '73); and colorful Moe Norman, of Golf Haven, Gilford, Ontario are expected to be

among the leaders.

They, along with 1975's champion Bill Tape, of the Carrying Place C.C., Kettleby, Ontario and Bob Cox, playing out of the Riverside Golf Centre, Surrey, B.C., who won in 1969, may

disrupt the Balding-Knudson competition.

Tournament officials, including C.P.G.A. executive director Dave Zink, expect a total of 150 of Canada's top professionals for the 1977 version of the Labatt Cup.

Cliff hanging fastball games

Many cheering spectators saw the Hercules Girls Fastball teams play a tournament style playoff in all divisions over the weekend. A number of well played games resulted as cliff hangers.

Stan and Ann Jwasko's Mitey Sluggers were triumphant in the squirt division. They set back the very strong St. Albert Inn Red Creamers 21-13 in the final game.

The Mitey Sluggers consisted of Holly Hendrigin, Kelly Ann Mohilitny, Wendy Porowski, Vicki Lonsbury, Karen Adolph, Christine Duttall, Marcy Jwasko, Denise Mayall, Cara Wheatley, Joy Pidhirney, Debra Dubie, Gail Zoltenko, Rhonda Pal-

mer and Anita Kemps.

In the junior girls division, the Mohawk Marvels, coached by T. Grinnell and Mrs. Helfrick, came from behind to edge the Blue Bombers 16-15 in an exciting finish. Members of the winning team are: Debbie Partica, Jackie Grinnell, Bonnie Helfrick, Michelle Balaski, Jill Howell, Colleen Blake, Kari-Anne Welch, Karen Root, Holly Root, Cathy Knight, Shelly Findlater, Susan Hamper, Lisa Dobko and Christine Hill.

The Pro Western Piranhas nipped the A & H Steelers 11-10 in the senior girls finals. The game was well played on both sides with a display of excellent fielding. Karyn Gagnon was the winning pitcher with Andrea Riddell pitching well in a losing cause.

Shannon Morgan, Joanne Chelkowski, Sandra Dolinsky, Frances Vettergreen, Linda Roode, Karyn Gagnon, Judy Rheault, Zina Dolinsky, Sherrie Barkhouse, Liz Bewell, Monica Chelkowski, Donna Handy, Leela Acharya and Joani McBeth made up the Pro Western team coached by Ken and Dianne Roode.

A special thanks goes out to the parents who faithfully supported the teams in various ways.

Villeneuve road improvements discussed

Following are some of the highlights from the regular meeting of the MD of Sturgeon in Morinville last week.

SUPERINTENDENT OF Sturgeon Regional Recreation Larry Kirkpatrick told the MD the Department of the Environment is contributing \$145,000 for heavy equipment to be used in developing the Cardiff recreation park.

A further sum of \$38,000 from that department will be used for clearing/developing the park.

THERE WAS confirmation that August 3, 4, 5 and 6 next year Radio Active International, a group of CB (Citizens Band) radio enthusiasts will hold a jam-

boree at the Cardiff Park.

That could bring in some revenue for the MD, as expected to turn up with the CBers are 1,000 trailers.

Councillor Clay Crozier saw the event as a promotion for the Cardiff Park and the possible source of \$12,000 in trailer rental fees.

While he saw the need for sewage disposal he pointed out there could be problems if it rained, as the trailers, it's thought at this point, will have to be set on the dirt.

MP PETER ELZINGA showed up from Ottawa at the MD meet and told the MD of his concerns at the speed at which the Federal Government was going ahead with metrification.

One of the biggest misconceptions, he pointed out

was that the metric system is constant; there are different systems across the world, for example in countries like Japan and Britain.

There is known to be great opposition among western farmers to the Government's slapping down the new metric system.

Mr. Elzinga invited MD councillors and officials to a barbecue at his residence 15 miles west of Edmonton August 6.

"We'll roast a couple of hogs," said the MP cheerfully.

THE MD DISCUSSED future developments on the Villeneuve Road from the trestle bridge west to the hamlet.

Discussions were held with the Department of Highways and the Bridges branch for a possible \$1.25 underpass-overpass at the CN level crossing on the Villeneuve Road.

The provincial department of Highways has given a \$150,000 grant for improvements on the Villeneuve Road.

A mile has already been paved recently from Villeneuve towards the level crossing.

STURGEON IS spending a lot of time discussing three major agreements between itself, Morinville, St. Albert and Gibbons in the areas of sewage treatment, fire protection and water supply.

A spokesman for the MD said Monday a committee is still looking at the fire agreement between itself and St. Albert and a decision on the fire agreement is expected at the MD development meeting June 30.

St. Albert wants the MD to cough up \$338,198 if Sturgeon wishes protection from St. Albert fire fighting units in Calahoo, 50th Street and St. Albert's northwest industrial area.

The fire agreement between the MD and St. Albert will expire July 1 unless something is done to re-instate it.

On Morinville's request to run a connecting line from itself to the proposed sewer lagoon a mile east of Morinville on Secondary Road 642, council has approved this line subject to an operational and construction agreement yet to be signed.

A waterline agreement between the MD and Gibbons is still going through the works. After a few minor alterations and a redraft, this agreement will be brought back to the regular meeting of the MD next month.

What is

an acre?

The size of an acre derived from the amount of land two oxen could plow in one day.

MORINVILLE can be proud of its entry into the St. Albert Rodeo Parade last weekend. The entry won first place in the best float category and likely will be seen again at the Frontier Daze parade in Morinville this week.

Sturgeon slaps down \$5,365,128 - '77 budget

The MD of Sturgeon brought down a big \$5,365,128 last week, quite a way up on last year's \$4,305,898.

The MD's assessment is also way up on last year's \$27,756,160, this year standing at \$30,688,190.

Increases in development all round the MD in the key areas of commercial and industrial progress are the reasons for this year's jump in the assessment, says

Secretary Treasurer of the MD Alphonse Nobert.

A draft copy of the budget was presented to MD council could study the proposed budget.

The total mill rate for Sturgeon this year is 114.25 (reduced 84.75), compared to 107 and 80 last year.

For Thibault the total rate is 101.75, reduced 72.25; this compared with 96.50, reduced 69.50 for 1976.

For Legal the full rate this year is 107.00, reduced, 77.50.

This compares with the 1976 figures for the mill rate of 99.25 total and 72.25 reduced.

This year's mill rate for the school foundation is 29.50, with school representatives requisitioning \$450,811.

Last year the school requisition was \$386,385 with the mill rate at 27.

Hire-a-student is for you!

If you are looking for a student for any kind of summer job, which includes housework, child care, deliveries, yard work, pet care, painting, farm work, janitor, office work, sales people, construction or vacation fill-ins. The H.A.S. office in Morinville is located within the Sturgeon Regional Re-

creation Building and the hours are: June 1 to June 30 - 4 to 6 p.m., July 4 to August 19 - 8:30 a.m. to 4:30 p.m.

So, if you are looking for a summer job or need a student for the summer, don't hesitate to phone Sherry Gibeault at 939-4318, and Have a Young Summer!

Tourist association misses Sturgeon boat

The Midnight Twilight Tourist Association has missed the boat this year as far as getting \$1,179 in membership fees from the MD of Sturgeon.

A spokesman for the MD said Monday that the MD had decided to postpone the issue of membership till next year as Sturgeon had not budgeted for membership this year.

At the MD's regular meeting last week MTTA representative for the St. Albert and District Chamber of Commerce Harry Hutching and MTTA Secretary-Mana-

ger Liz Clarke made their presentation for the MD's 1977 membership in the Tourist Association.

The MD falls within Zone 14 of the MTTA.

Mr. Hutching pointed out that the Cardiff recreation park, under development in the MD, could be promoted in the MTTA brochure, one of the advantages of having membership in the Association.

But Reeve of the MD Bill Flynn pointed out that the park will take well over \$1 million to develop.

The presentation from the MTTA pointed out that some resolutions to provincial cabinet have had some positive spin-off.

There has been some development and extension of secondary highway systems because of MTTA pressure; recently, a Department of Transportation (highway) facility signing program has been established, and a roadside campsite has been developed between Fort Assiniboine and the Swan Hills.

The MTTA has called for the development of the Calling Lake Provincial Park and also for greater use of cairns and historical signs in the province.

Sturgeon school board to add three members

Sturgeon School Division #24 will increase its board membership from four to seven trustees, when the civic elections are held in October.

The increase in the membership of the board is the result of a joint agreement

between the school board and the Minister of Education, Julian Kozlak. Last week, the board met with the minister to discuss a proposal for the creation of new subdivision boundaries, necessitated by the board's expansion. The board has

obtained ministerial approval for its boundary proposal and a series of public hearings on the matter will be held in mid-July. The date of the hearings will be announced at tonight's board meeting.

At the hearings, the public will be given an opportunity to react to the boundary proposal. However, the issue of the board's expansion has already been decided and will not be subject to change.

The board's proposal would create three new subdivisions, by which Gibbons, Horse Hill and Mearns-Alcomdale will each have their own representatives. At present, Namas, Sturgeon Heights, Camilla and Bon Accord have board representation. The new proposal for subdivision is designed with an eye to local district boundaries in which minority rights are entrenched, said Mr. Frank Robinson, district superintendent.

NFU annual regional meeting in city June 29-30

National Farmers Union Regional Co-ordinator Bill Dascavich announced today that Region 7 of the NFU will be holding their annual regional meeting on June 29 and 30 at the Hotel Londonderry in Edmonton.

Dascavich said that regional meetings are important because they are open to all grassroots members and provide them with a direct opportunity to bring forth policy proposals which, if approved by the majority, are eligible for consideration at the national convention of the Union.

He added that some of the regional issues expected to surface at this years meeting are: the proposal to tax farm dwellings; the need for land banking; energy costs and conservation.

National President Roy

Atkinson of Springwater, Saskatchewan and Women's President Jean Leahy of Fort St. John, B.C. will be on hand and provincial government representatives have been invited. The meeting is scheduled to begin 10 a.m. Wednesday, June 29.

Morinville Council Briefs

Following are some of the highlights of the regular meeting of Morinville council, June 14.

THE TOWN DECLARED August 1st a Civic Holiday in line with other towns and municipalities in the pro-

vince. **COUNCIL APPROVED** \$2,000 for the hiring of two playground supervisors in Morinville during the summer. The funds for the project are from STEP, the Student Temporary Employment program.

Turf runway

Transport Canada will call tenders for a cross runway at Villeneuve satellite airport next week.

It will be 3,500 x 100 feet turf surface runway with parallel and connecting taxiways.

The turf can be removed in future for paving.

Work should start August 1st and finish the end of September.

Sturgeon Recreational News

PROVINCIAL COMMUNITY ORGANIZATION GRANTS

Just a reminder, that October 31 is the deadline for submitting projects to be considered for Project Co-operation monies. Any projects received after this date, will not be accepted.

FAMILY CRAFT AND RECREATION CAMP

The County of Leduc Recreation Department will be sponsoring a family craft and recreation camp, August 8 - 11 at Zeiner Park. Adults and teens will have the opportunity to participate in the following activities: primitive pottery, willow basketry, spinning and dyeing, primitive weaving, leather crafts, nature jewellery,

wood carving, fly tying, canoeing, macramé and nature identification. For children ages six - 12, there will be a day camp program and for children ages four - five, there will be a playground program.

For further information, please contact County of Leduc Recreation Department at 986-2251.

SUMMER PLAYGROUND PROGRAM

Sturgeon Regional Recreation, in conjunction with the local communities will be offering summer playgrounds for children.

Permanent playgrounds will be open from 10 a.m. to 5 p.m., Monday thru Friday, beginning July 7. They will be located in the following

centres: Bon Accord, at the Community Hall; Gibbons, at the school; Legal, at the Recreation Centre; Evergreen Mobile Home Park, at the Recreation Centre; Morinville, at the Frontier Daze grounds.

In addition a travelling playground will offer activities, from 10 - 5 p.m. in the following centres: Horse Hill, July 7 and 8; Namo, July 18 - 21; Calahoo, August 2 - 5; Villeneuve, August 8 - 11; Riviere Qui Barre, August 15 - 19.

We plan to offer a number of activities including: arts and crafts, games, music, drama, and special events.

For further information, contact Janet Sherstoboff at 939-4317.

CANOE TRIPS

The first canoe trip of the summer was last weekend, June 18 and 19. A fleet of eight canoes paddled down the Pembina River and into the Athabasca River - a total of 29 miles. The weather was excellent, so it proved to be a thoroughly enjoyable weekend. The dates for the next two trips are July 9 - 10 and August 13 - 14. The routes will be chosen at a later date. Further inquiries and registration can be made at

Sturgeon Regional Recreation by phoning 939-4317.

PRIMITIVE POTTERY, PRIMITIVE FIRING, RAKU FIRING

A short course on the method of building clay pots and then firing them both primitive and/or raku style. The solution for those people who like to pot, but do not have access to a kiln. Workshop will involve one session for building pots and then one day a piece for each method of firing. We need eight participants to run the course. If interested, please

CAMPS

This summer, there will be three camps for children ages 8 - 12. The camps are each five days long running July 12 - 16, July 25 - 29 and August 22 - 26. The program will include camping skills, nature crafts, survival skills, canoeing, outdoor cooking, orienteering and much more.

Further inquiries and registration can be made at Sturgeon Regional Recreation by phoning 939-4317.

"Snakes alive" at Gibbons

By Margaret J. Atkinson
In the 1930's the banks along the Sturgeon River were a beautiful wilderness. Poplars, spruce, jackpines, aspen and birch grew in vast profusion.

In the fruit and nut group of bushes growing rampant were the pincherry, high bush cranberry, Saskatoons, chokeberry, gooseberry, raspberry, red currant and black currant. Hazelnut bushes were very dense, their branches hanging laden with the fuzzy, prickly pods containing the hazelnuts.

Flying squirrels lived in the deep palaces of spruce and pine, with their carpet of green velvet moss. Clumps of deep purple violets grew here and there, with the yellow buttercups and dainty lady-slippers near the water's edge.

Coyotes roamed freely and even as one walked through the dense bush a streak of the light fur of a coyote could be seen, as a slender ray of sunlight caught its movement.

On the west side of the Sturgeon were high river banks. Consisting of clay and great rocks. This high bank was one which attracted some of the young children of Gibbons in those days. It was a great hill for "coasting" on sleighs with runners.

As soon as spring appeared, a greater adventure took place on that clay hill. Small caves existed in which garter snakes hid still in their great balls. This was a process they used to keep warm, throughout the cold winter months. In the late fall they would gather in the warm caves, entwining themselves together thus forming great "balls."

The boys of Gibbons usually exulted in this adventure. They would keep watching to see when the "balls" of snakes would start to unravel. Then, after several days of warm sunshine, they would leave the old skin behind, and become active and move about the clay banks.

One day mischief struck the minds of my brothers Jim and Charlie, Wesley Sprague, Will Mabbutt and some other boys. They filled pails with the writhing mass of garter snakes, took them to the small main street at Gibbons, which had a long wooden sidewalk on either side. Then they proceeded to turn the "hapless" creatures loose under both sidewalks.

Needless to say many a "shriek" could be heard if a lady or young girl happened to spot an exploratory reptile head, sticking up between the sidewalk boards.

The boys made a thorough job during their mischief. As Miss Johnston, our school teacher for many years, opened a drawer of her desk, a most anxious snake lay waiting to make its exit. I am not certain about who scared who the most, the snake or the teacher.

Both exits were made in record time. Having no chandeliers in those days was most inconvenient. To top it all off a great round Khaki colored tent was erected, at the old sports ground north of the present day one. You guessed it! A snake show was to be held on that sports day.

A "rip snortin," good ball game went on and there were booths where you could try out games of chance. Iced homemade lemonade was sold, as well as ice cream and other homemade goodies could be had.

As for the snakes, sure

enough, there they were. Great round bodied reptiles, big and horrible looking in cages. The man who ran the snake show even looked rather like his slithering friends in those cages. When he sang out his lingo about the great reptiles, it was almost like "hell fire and brimstone," if you didn't listen. With his narrow grey eyes looking at you, you almost felt hypnotized if you dared look.

But some of us didn't have the money and if a parent couldn't be found in the crowd, there was a way to

see it. Alf Mabbutt, Will Mabbutt, my brother Charlie and Wes Sprague decided to take a peek, when no one was looking. But although they fooled around with garter snakes, not one of those boys wished to see any of the snakes in that tent end up along our river banks.

A great sigh of relief was heard in every home when talk of the "snake show" left Gibbons.

To this day, those boys, who are now husbands and fathers even grandfathers talk of the "Snakes Alive at Gibbons."

60 Plus Club met June 9

By Hazel Martin

The Namo 60 Plus Club met in the Namo Hall on June 9 at 1:30 p.m. with 26 members present, and Mrs. Daisy Craig, president, in charge of the meeting.

After a half hour of exercises, a short business meeting was called. A most warm welcome was extended to Jack and Hazel Plumley. We were pleased to have George and Margaret Horricks back again after their recent bout of accidents, as well as Bessie and Herb Craig back from their Alaskan cruise.

A vote of thanks was extended to Mr. John Koch who made and donated a bulletin board for our club.

It was agreed that our executive officers serve for a term of two years, and that the executive will again be the Nominating Committee for the fall elections.

Plans were finalized for our pot luck supper on June 23 at 6 p.m. in the Namo Hall. A most cordial invitation is extended to all senior citizens of the Namo district to attend this supper.

In the absence of Gladys McLay and Howard Samis, the plans for the cabinet to hold the minutes of the early Hall Board meetings, and the purchasing of a mike were tabled until our next meeting.

A most enjoyable evening was spent at the senior citizens' barbecue at the Red Barn June 1, and our compliments are extended to Mrs. St. Germain and her competent staff.

A delicious lunch was prepared by Mrs. Ethel Neilson and Mrs. Edie Carlton, and was much appreciated by a hungry membership, after bridge, 500, crib and pool.

Namo

Namo School and Community League are sponsoring a "Family Dance" in the school auditorium on Friday, June 24. Price will be \$1.50 per person for those 16 years and over, under 16 free. Music will be by the "Sundowners." Dancing will be from 8:30 p.m. to 12:30 a.m. Everybody welcome.

FEDERAL FINANCIAL ASSISTANCE

Until March 31, 1978, farmers and ranchers are eligible for assistance on TWO water development projects each. These include:

- Irrigation schemes — up to \$600 each
- Dugouts and Stockwatering Dams — up to \$550 each
- Wells — drilled to 122 feet, or bored to 92 feet, up to \$550 each
- Deep wells — drilled deeper than 122 feet or bored deeper than 92 feet, up to \$1,500 each

For technical advice and information on how you may qualify for subsidies, contact your nearest PFRA Water Development Office.

Manufacturer errors prove costly

Wednesday, June 15, saw the Morinville Manufacturer senior baseball club journey to Legal to take on the Pontiacs in a North Central Baseball league game. The Manufacturers built up an early 4-1 lead, but saw it vanish quickly in the fifth inning as a series of errors and a slight case of over-confidence caught up with them.

As it turned out, seven innings weren't enough, and the Pontiacs went on to win the game by a score of 8-4. Dean Roy was tagged with the loss, pitching five innings, with Richard Gadoury coming in to relieve him. Neil MacLeod won MPV honours for the Manufacturers, scoring one run and playing a strong defensive game.

Jim Newman, recently returned from his honeymoon, did much of the scoring damage for the Manufacturers, with a pair of runs. With the loss, the Manufacturers dropped to .500 ball in league play with a 2-2-1 record.

The Manufacturers also were busy on the weekend, playing in the Fort Saskatchewan tournament. Saturday saw them take an 8-3 decision over Forestburg

behind the strong pitching of Gary Nash. Sunday, however, didn't turn out as well as the club dropped an 11-9 decision to the host club. An eight run second inning for the Fort, coupled with some sloppy Manufacturer defence proved to be too much for the Morinville team to handle. Bud Pyluk went the distance for the losers.

-0-

earlier in the month the team managed a win over the Westlock Red Lions by a 9-8 margin on June 7. They were down 7-1 going into the fifth inning and when they were finally struck had made it 7-4. Westlock squeaked in one run before Morinville came back and slammed in five runs, going ahead 9-8 and holding the lead.

They were home to Bon Accord Tigers the next day, winning 19-5 in a game riddled by mistakes on both sides. The Manufacturers picked up three of the home runs hit, by young Jay Hubble, two and old Bob Kootenay.

Manufacturers next home game before their Frontier Daze tournament is June 22 at 7:15 against Linaria, which should bring out strong fan support.

Namao students graduate

By Norma Crozier
"Times of Your Life" was the theme for the Graduation of Grade X11 students from M.E. Lazerte High School on Saturday, June 11, 1977.

Eighteen Namao students were among the large class of 560 Grade X11 students. Held at the Convention Inn South the commencement program began at 11 a.m. with the Processional. Musical selections were by the M.E. Lazerte Senior choir. Dr. E. Hawkesworth was guest speaker for the morning program.

Graduands from Namao were, Barbara Akerman, Tim Bokenfohr, Neil Coburn, Allan Fay, Debbie Gauthier, Betty Gibson, Bernadette Huber, Mary Kak, Maureen

LeClair, Art Low, Laurie McKenzie, Larry Petryshyn, Lori Samis, Brian Speers, Doug Vaculchik, Barbara Ward, Janice Wilson, Ted Zabelski.

Students, parents and guests enjoyed a banquet and dance in the evening, dancing to the music of "The Executive" Branch.

The graduation marks a change as they are the last class of Namao students to attend a city high school. Namao's new high school will be completed for the fall term. In the principal's message to the students he commented on this fact and said he regrets the change as the country students had certainly enriched M.E. Lazerte High School.

Morinville Memos

By Marg Bentz

Congratulations to Dave and Pat Maslyk on the birth of their daughter, Tricia Anne Marie. The little bundle of joy weighed in at 6 lbs. 2 ozs. at the Sturgeon General Hospital on Thursday, June 9 at 10:15 a.m. A sister for Trevor aged four.

Over 35 kids and adults participated in the Kinsmen bike-a-thon held in Morin-

ville on Saturday, June 18. Around \$2,000 was raised for the park on 99 Avenue and 99 Street. Monkey bars, slides and swings have already been erected. Winners of the prizes will be announced at a later date.

Kids - be sure and decorate your bikes for the Frontier Daze parade this Saturday, June 25. This year

an award will be presented for the best decorated bicycle.

Orientation for new grade ones will be held on Monday, June 27 and Tuesday, June 28. If your child is not currently in kindergarten please phone the Notre Dame School at 939-4020 to pre-register.

Everyone will be heading

out to our annual Frontier Daze this weekend June 25 and 26 for all the fun and entertainment. Let us as Morinville residents make them welcome to our town. Those who wish to display their arts and crafts during Frontier Daze should phone Rhonda Stapleton at 939-4827. There will be no competition or sales for arts and crafts, but a home baking competition will be held in conjunction with the displays. Call Rhonda Stapleton or Maryann Scott at 939-4378 for more information. Those with paintings to display during Frontier Daze can call Pauline Pike at 939-3519.

Get well wishes are extended to Bill Rockwell of Cardiff who is home now from a lengthy stay in the hospital. Bill would like to thank all his many friends for all the cards, flowers and fruit.

HOCKEY SCHOOL

Central Sturgeon Agricultural Society will be having a hockey school once again in Morinville from October 10-15. This sure helps our boys as the hockey program starts shortly after.

Correction - the Frontier Daze ad, published on June 15 had a mistake made on the Sunday program. Miss Rolanda Lee will not be entertaining at the grand finale as was printed. Our apologies to Miss Lee. St. Albert's PITCH will be featured with Bob Arnold acting as m.c.

SUMMER BONSPIEL

Morinville's Curling Club is once again having their annual mid-summer bonspiel. Winners in the first flight were: A event - Don Mitchell took Barry Cole; B event - Doug Monroe beat the Gockel rink and in the C event - Noel Fisk took Vern Olsen. These teams will be playing against the winners of the second flight on Sunday, June 26 in conjunction with Frontier Daze. Presentations will be made to the winning teams during the Frontier Daze wind-up Sunday evening in the arena.

Reader's co-operation in telephoning or bringing in news items is greatly appreciated. Please phone 939-4145 or stop in at 9901 - 99 Avenue.

Good eats promised at Frontier Daze

Frontier Daze will take place this coming weekend and there will be plenty of entertainment and good eating for the whole family. Pancakes and sausages will be served at the free street breakfast commencing at 7:30 Saturday morning at the Rec Centre parking lot. The parade will start at 10:30, followed by opening of the grounds at 11:30. Admission is only \$1.50 and children under 12 are admitted free.

There will be rides, games, sports, a gymkhana, and much more for everyone to enjoy all day Saturday.

International Foods will again be serving its popular favorites, including French meat pie, cabbage rolls, pyrogys and sauerbraten. These dishes have been skillfully prepared by many hard working Morinville ladies. In addition, Arena Foods will be holding a supper hour on Saturday and Sunday from 5 - 7 p.m. On Saturday a

cold plate will be featured and on Sunday a delicious chicken supper will be served.

Sunday events will kick off with the canoe races on Heritage Lake at 10 a.m., followed by opening of the grounds at 11 a.m. In addition to the midway and games, the day features a demolition derby, tug-o-war and egg catching contest with the grande finale beginning at 8 p.m. in the arena.

Legion Memos

By Cam Dubord

The family barbecue held on Saturday, June 18 was enjoyed by several families. Races and games were

enjoyed by all the children and also adults in the afternoon, followed by lunch served on the barbecue area. After all the children were

bedded down, a dance for the adults and steak barbecue was enjoyed by everyone present. The group was entertained by the music of "Party Sound."

"Oh" was heard from every corner of the Recreation Centre when Mrs. Eleanor Arcand shouted "Bingo" to the jackpot which was worth \$410. The bonanza of \$248 was won by Mrs. Marcella Dupuis. Hope you had a happy birthday Marcella. A count of 287 people showed up for the evening from Morinville, Westlock, Redwater.

The jackpot will now revert back to the original \$300 in 48 numbers, progressive. Two more bingo days are left till the end of June. This will be followed by a holiday break. We will return in September 1977 every Thursday evening at the same time and place. We would like to thank those that have supported us in this venture, and especially we would like to thank the workers that have made this possible. See you on Thursday night and on Frontier Daze on Saturday.

Peggy. We invite all their friends to come to wish the Shwagas' good luck.

The evening of June 29 has been set aside as Coaches Appreciation Night. Players and their families can take this opportunity to say thank you to the hard working baseball coaches. Bring along some wieners and marshmallows for a roast; the community league will supply the beverages. Have some fun with pickup baseball games. The place? Horse Hill School grounds.

Please note the regular monthly league meeting has been changed from June 27 to June 20 at 8 p.m. Come and have a say in how the league operates and spends your money!

Horse Hill

Community League News

By Leslie Steel

The annual Mother's Day Tea was a success. The conveners of the tea are grateful to the many community members who supported them so generously. They'd like to thank all those who donated the gifts, decorations, baking and their time. Thanks to all who attended as well. We hope you enjoyed yourself and that we'll see you next year.

The community is losing two valuable members and their family. Joe and Peggy, Cindy and Lynn Shwaga are leaving for Westlock. They will be missed greatly.

The Community League is holding an open house Saturday, June 18 at 9 p.m. in the Horse Hill School gymnasium for Joe and

Bon Accord News

By Sadie Allen

A capacity crowd turned out on June 18 for the hard time dance sponsored by the finance committee for the newly acquired ambulance. Prizes for best costumes went to Lynda Johnson, Lynda Bland, Nigel Mansfield and Blaine Adams. The ambulance arrived from Kansas on Friday evening and was on display at the Bon Accord Community Centre while the dance was on.

A very successful Goat Show was held on June 18 with prizes going as follows: Alpines; Grand Champion to Sara Emond for Sundial Renate, Reserve Champion to Sara Emond for Yellowhead Charlotte. Nubians; Grand Champion to Ethel Samis for Daisyhill Rosita, Reserve Champion to Christine Anacker for Redwing Sassafra. Saanens; Grand and Reserve Champions to Ethel Samis for Forever Pet and Happiness Irene. Toggenburg; Here again both went to Ethel Samis for Happiness Celeste and Happiness Jasmine. Grades; Grand Champion to Ethel Samis for Happiness Tammy and Reserve to Chris Anacker for Conception Galadrielle. For purebred bucks, Grand Champion went to Ethel Samis for Kerri-glen Xeros, Reserve to Ruth Mausolf.

In the inter-breed udder competition both Grand and Reserve champions went to Ethel Samis for Happiness Tammy and Happiness To-

paz. In the senior milking competition grand champion went to Judy Kowajacki for Lisa, Reserve to Ethel Samis for Happiness Topaz. In the junior milking competition both Grand and Reserve champions went to Ruth Mausolf for Edelweiss Vanessa and Edelweiss Vera. The stall competition was won by the Happiness herd owned by Eldon and Ethel Samis. Best Doe in Show was won by Happiness Tammy.

A sincere thank you is extended on behalf of the Bon Accord Ag. Society to Dorothy Mitchell of Langley, B.C. who judged the show, to the directors of the society who worked so hard to make the show a success, to the concession workers and to photographer Ken McGregor. The show was deemed a very successful one this year with over 90 goats exhibited, coming from Athabasca, Thorsby, Onoway, Fort Saskatchewan, Horse Hill and Bon Accord.

Regular Farmers' Market Days will resume on a weekly basis on Wednesday, July 13 from 6 - 8:30 p.m. For information or stall rentals contact Pat Reichle 921-3535.

The T-Ball tournament held on Saturday, June 18 involved teams from Gibbons Namao and Bon Accord. For the second year in a row, Bon Accord mini-mites captured the trophy with four points followed by Namao with two and Gibbons with 0 points. Coaches for the Bon Accord

team are Mr. and Mrs. Archie Miskoic and Ed Yohemas.

Congratulations to proud grandparents, Bill and Joan Hill on the birth of Mark Donovan, 6 lbs. 13 ozs. on June 16 at the General Hospital. Proud parents are Jim and Glenda Hill.

The Bon Accord 4H Beef Club held their yearly achievement day in the Bon Accord arena on June 13. Judges were Mr. Duggan for placing of steers; Bob Putnam and Mike and Kay Betchuk for grooming; Lynda Zinnick and Janet LaCasse for showmanship. The grand champion was won by Basil Lewis with reserve going to Bryan Lewis. In grooming judging, first place went to David Kreway and second to Susan Frank. In showmanship, first place was won by Rick Kreway and Karen Belzuik placed second.

An auction of steers shown by peewees Colleen Zilinski and Terry Ferbey and conducted by Wes Spencer was held following the show, with members' steers auctioned at the Sales Pavilion on June 14. Members of the club wish to thank the judges, and all those who attended the show. Thanks are also extended to Wes Spencer from Modern Livestock, Bon Accord Meats and the Red Barn for supporting the club at the sale. This report was submitted by Club Reporter Karen Belzuik.

A correction -- Douglas Russell is the cadet who will be taking the Band scholarship this summer.

Bon Accord Tigers put on a good show for baseball fans the past weekend losing out to host club Barrhead Broncos in the final game of a tournament at Barrhead. The Tigers took out Rochester in the first game on Saturday, won a close 3-2 game from Vimy in the semi final and bowed out to Barrhead by a converted touchdown. Final score was 20-14. In league play during the week, they won over Legal and tied Westlock. The club will host Linaria here on July 29, game time 7 p.m. and will be playing tournament ball at Morinville Frontier Daze this weekend. The annual senior baseball tournament will be held here on July 9 and 10.

Senior ladies downed Thorild by a 23-10 score in a game played on June 14. Home games are coming up on June 23, June 28 and July 5. The girls put on a good show and deserve our support.

Open house will be held at the home of Ray and Dorothy Rigney on Sunday, July 3 in honor of their son Donald

and his bride Penny. The marriage took place in Calgary on June 17.

Golden Gems will picnic at the home of George and Edith Carleton for their next regular meeting on June 28. All seniors are invited to bring something for lunch and come along for the afternoon. Invite a neighbor to come along. The club has arranged for a bus to visit Fort Edmonton on July 20. If you are interested in going, please call Joan Hill, 921-3674, soon.

The next-to-new shop and book exchange will be closed for the summer. However books, baking and other items obtainable at the shop will be available from the Golden Gem table when the Farmers' Market opens on July 13.

The rafters for the senior recreation building were raised on June 20. Club members are looking forward to the facility being ready for the winter season. Are you a club member yet? It may not look too good if you wait to join after the work is all done!

The Beef raffle conducted by the Bon Accord Ag. Society was won by Mary Steene, 5524 - 100A Ave., Edmonton, ticket #12197.

Honours at Gibbons Agri-fair

The Gibbons Agri-Fair held June 11-13 was a great success, and the homecrafts display, was especially impressive this year. It was noted that a growing interest in hobbies and crafts has led to an increase in that category's entrants, and a decrease in homebaking and canning exhibits. This will be taken into consideration when classes are set up next year.

In the baking classes, Emily Oliver came first in the muffin competition, Betty Hofs topped the tea bread division and Nancy Foster made the prize-winning apple pie.

Judges in the canning category decided that Faye Pyle's relish was worthy of first place, while Victoria Kushak's pickles were tops in that category. Faye Pyle won another first place with her pickled beets, and Joan Kampjes won in the jam class. Margaret Foster's crabapple jelly was judged first in that category.

In home crafts, Ruth Keller knitted a sweater that won in that category, while Betty Jansen took first place in the Children's articles category. Mae Gervais and Doris Carleton took the first prizes in the quilt categories and Hazel Hancock's rug was judged tops in that category. In embroidery, Evelyn Gib-

MR. AND MRS. JOE BOWMAN

Bowman's celebrate 60th anniversary

Mr. and Mrs. Joe Bowman recently celebrated their 60th wedding anniversary. Open house was held for a large number of friends and relatives, at the Lions Senior Citizen Centre in Edmonton. Mr. Bowman came from Cumberland, England in 1910. Mrs. Bowman (nee Storie) came west with her parents from Clarring, Quebec, in 1904, settling in the farming area north of Edmonton. Mr. and Mrs. Bowman farmed in the Gibbons area for 43 years before retiring to the city.

They are both active and have their own home.

The bridesmaid of 60

years, Mrs. George Knight, a sister of the bride, of Sunnyside, was also in attendance.

Greetings were received from the Queen, Premier Lougheed and Lieutenant Governor Steinhauer, also personal greetings from Catherine Chichak MLA, Reg. Austin, mayor of Gibbons, and Jim Storie, brother of the bride. They have two children, Ken on the home farm and Mary (Mrs. Earl Leeder) of Edmonton. Also five grandchildren.

In the evening a family dinner was held at the Londonderry Hotel.

Gibbons News

By Karen Hogg

A playschool meeting is to be held on Wednesday, June 22 at 7:30 p.m. in the arena. All parents are urged to attend. The playschool is for three and four year olds. For further information phone 923-2633.

Congratulations to Pat Keown on winning the fruit basket raffled off by the Tops booth during Agri-Fair.

On Saturday, June 25, at 1 p.m. the Anglican Church will hold a clean-up day around the cemetery and yard. Everyone is asked to

come and help. Lets get the area cleaned up before summer holidays begin.

Mr. and Mrs. Fred Whye of Sussex, England have gone back to their home after spending a month in Canada. They came to Gibbons to visit Mrs. Lina McLeod at the home of Mr. and Mrs. L. Mabbutt. While here they visited friends and relatives in Vancouver, Saskatoon and Edmonton. When leaving they said they loved it here and hoped to return some time. Mrs. Whye went home with her arm in a sling and cast.

TUESDAYS, THURSDAYS AND SATURDAYS

- SUNDAYS - NO WATERING BETWEEN 9:00 a.m. and 6:00 p.m.

THANK YOU FOR YOUR CO-OPERATION

Legal High School News

By Lorraine Champagne
School Reporter

Well, as everyone knows, our school year is almost at an end. At Legal School, all students will be dismissed for the summer on June 24. This is also the last day of final exams for the high school students.

Don't forget our great dance coming up on June 24, featuring "Hammersmith" at the Legal Community Hall from 9:30 p.m. to 1 a.m. Prices are \$4 per person and \$7 per couple. We hope to see you there, as you are all most welcome. This dance is to replace the Sweeney Todd performance that was to be held in the Legal Arena. We

regret that we are unable to provide this for you, due to reasons beyond our control.

The students of our school will be participating in an evening to be held in the honor of our parish priest, Father Bissonnette, who is leaving us. Songs, skits, coffee and doughnuts will all be featured at this time. June 23 is the date to remember. This social gathering will be preceded by the mass of the blessing of the new bells. His Excellency Bishop Roy will be here for the occasion. The mass will begin at 7:30 p.m. We are very sorry to see Father Bissonnette leave, as he has been a blessing to our community.

Elections were held Thursday, June 9. Results:

President, Richard Nault; Vice-President, Marlene Champagne; Secretary, Vivian Maurier; Treasurer, Laurel Mashtaler; Girls sports representative, Loretta Fizer; Boys sports representative, Donald Chamberland; Girls social convener, Lorraine Chamberland; Boys social convener, Denis Brisson; Reporter, Yvette Pelletier; Photographer, George Van de Walle.

On behalf of the Legal students, I congratulate you on your initiative. I am sure that you will do a remarkable job. Good luck.

Also, I would like to congratulate Miss Angie Auger on her work as

president this past year, Mr. Richard Nault as vice-president, and Miss Luce de Champlain as secretary-treasurer. Also a sincere thank you to all other members of the executive and of the union itself. All the students did a fine job, I feel, of making our activities such a success. To you all, I wish success in your future endeavors.

Students, we've had good times together. I hope that we will always remember them. It was fun working as reporter both writing little news reports and reporting on OK radio each week. Thank you for your kind co-operation in supplying news. I hope you enjoyed reading about Legal High's activities, because I sure enjoyed writing about them. Have a great summer!

A MESSAGE FROM OUR PRESIDENT

As president of the Students' Union for 1976-77, I would sincerely like to thank not only the students, but the teachers, and our principal Mr. Raymond Tremblay, who all contributed to the success of our activities. Also, a special thanks to Mr. Alan Armitstead who assisted us in hiring great bands for our teen dances! We can honestly say that we had a great year, and to the Students' Union of next year, the very best of luck!

Angie Auger.

Starting from the left our Captain Mrs. Lucille Dube is awarding the Canada Cord to Suzie Maurier, who is the first in Legal to receive such an award. Paulette Dube and Marie Chamberland have earned the All Round Cord.

Legal Brownies, Guides get awards

By Suzie Maurier

May 31 was the day the Brownies and Girl Guides of Legal showed their mothers their years work. The evening started out with grace sung by the Guides, then everyone ate the casserole brought in by the mothers. After everyone was finished, introductions were made and gifts were handed out to the leaders.

Our guest speaker, Lorraine Champagne gave a beautiful speech on "Trying to make others happy." Everyone enjoyed it.

The Brownies and Guides then got ready to receive their badges and awards. Charlotte Prefontaine and Jody St. Jean are two very happy brownies who have

just flown up into Guides.

Suzie Maurier has been rewarded with the "Canada Cord." This is the highest award a guide can receive. Paulette Dube and Marie Chamberland have received there "All Round Cord" which is one step away from the Canada Cord. After some songs and a few skits the banquet was over.

We would like to thank our Captain, Mrs. Lucille Dube and our Lieutenant, Mrs. Theresa Prefontaine. We would also like to thank our Brown Owl, Mrs. Marilyn St. Jean and our Tawny Owl Mrs. Yvonne St. Arnaud. I'm afraid to say that this is the end of another unforgettable year.

4H Achievement Day

By Danie Majeau
RQB Club Reporter

On Saturday, June 11, the Sturgeon Valley 4H Dairy Club held its Achievement

Day at Gibbons in conjunction with the Gibbons Fair.

In the calf class, the winners were, first: Pat Briggs; second, Linda Ku-

shak; third, Christine Kushak; fourth, Daniel Majeau; fifth, Cheryl Westra; sixth, Roger Briggs.

In the Yearling Class, Pat Briggs came first; Cherie Radke, second; Cameron Queuk, third; Linda Kushak, fourth; Daniel Majeau, fifth; Lance Briggs, sixth.

In the class for two year olds, first prize went to Pat Briggs, second to Cameron Queuk, third to Lance Briggs, fourth to Valerie Montpelier; fifth to Cherie Radke; sixth to Linda Kushak.

In the Herd Class, Pat Briggs came first; Cherie Radke, second; Lance Briggs third; Linda Kushak, fourth; Roger Briggs, fifth; Valerie Montpelier, sixth.

The Grand Champion and Reserve Grand Champion was captured by Pat Briggs.

In the Peeewe Class Tom Kampjes came first; Scott Briggs, second; Victor Majeau, third.

In the Showmanship Class for seniors, Ronald Radke came first; Pat Briggs, second; Betty Kushak, third.

In Junior Showmanship, Christine Kushak came first; Cheryl Westra, second. In Showmanship for Peeewe, Tom Kampjes came first.

In Seniors Grooming, Ronald Radke came first; Linda Kushak, second; Daniel Majeau, third. In Grooming for Juniors, Christine Kushak was first and Cheryl Westra, second.

In Peeewe grooming, Tom Kampjes placed first.

For Stall Signs for Seniors, Linda Kushak placed first, Valerie Montpelier came second, and Daniel Majeau third. In Junior Stall Signs, Cheryl Westra placed first and Christine Kushak second. Victor Majeau placed first in Peeewe Stall Signs.

The weatherman co-operated to make it a perfect day. We would like to thank our club leaders, Mr. Melvin Clark, and the judges who donated their time, as well as our parents.

Legal Locals

By Bonnie Pelletier

Mrs. Fernande Van de Walle and Mrs. Dorothy de Champlain have just returned from Lorette Ville Quebec, where they attended a pleasant MFC congress.

voted by members that the organization would now be bilingual. It was Father Bissonnette's last meeting before he leaves us. Previous minutes were read and discussed.

On June 17 the Knights of Columbus held their last meeting for the summer at the Recreation Centre. It was

Get well wishes were extended to Mrs. Ray Tremblay who is presently in the hospital.

Mini-track meet at Legal School

Pictured above are winners of the most ribbons at the Legal School Mini-Track Meet.

By Leigh Ann Cauhany,
Age 8

On June 9, the grade ones and twos of Legal School had a Mini-Trackmeet. We had lots of events.

There was the Hop-on-one-foot race, the book-on-the-head race, the ball bouncing race, the skipping

race, the spoon and potato race, the three-legged race, the leap frog race, the piggy-back race, and other neat things. They gave ribbons too.

There was a peanut scramble. Then we all had ice cream. We had lots and lots of fun.

best of luck in their new home.

The hobo's have been busy over the past couple of weeks. They took time from gardening and all other spring work to pay calls on Maureen McFarlane, Peggy Cameron and Shirley Manning.

The track meet held at Horse Hill school this year saw a Sunnyside boy, Doug Brown, win a trophy for the best performance in his age group. Doug broke two or three records and goes on to Morinville to compete with the rest of the Sturgeon super stars.

There will be a shower for Miss Laurie Mullan at the Sunnyside Hall on Tuesday evening, June 28 at 8 p.m. Laurie is the bride elect of Cal Rye. Their wedding date has been set for July 9. Cal is the eldest son of Doris and Ken Rye of the Sunnyside area.

Congratulations this week to Miss Heather Mitchell who placed reserve champion with her 4H steer. Heather is a member of the Namoo 4H Beef Club. The annual show and sale were held last week in the Exhibition Grounds with nine clubs in all showing their

animals.

The prices the 4Hers received for their animals was an all time high and all the members and their leaders were very pleased. Other members of the Sunnyside area, who showed animals were Teresa Engle and Leslie Mitchell. Leslie showed a heifer and was awarded first place with her animal.

The hobo-ers were at it again this week when they called on Linda Sherwin.

This Saturday night is Sunnyside's barbecue and dance. There are still tickets left so call either Ann Maxfield 973-3706 or Shirley Brown 973-5681.
